

Let's Talk About ...

***Period
Poverty***

Did You Know:

- 35 U.S. states view menstrual products as "luxury goods" and impose tax sales on them, a.k.a **Tampon Tax**
- Period products can't be purchased with food stamps, Medicaid, or health insurance spending accounts.

Nursing.upenn.edu

- 1 in 4 women struggle to buy menstrual products due to income
- 1 in 5 low-income women report missing work, school, or similar events due having no access to menstrual products

As a result:

- Many have to rely on substitute products (toilet tissue or socks) and stretching product usage
- Poor menstrual hygiene leads to many health issues, such as Urinary Tract Infections or Reproductive Tract Infections

How to Help:

- In honor of National Period Day on October 19th, we will be hosting a Period Supply Drive from Sept 27 - Oct 17
- All donations will go to BagsOfHope, a non-profit in Stockton whose goals is to provide access to menstrual hygiene products
