STUDENT BEHAVIOR EXPECTATIONS:

Inappropriate student behavior in the days before or during the ceremony may jeopardize your participation in graduation. All school rules must be followed. Students that participate in “Senior Pranks” that are harmful or destructive are liable for damages and will not participate in commencement exercises. It’s a privilege, not a right, to participate in Graduation!

1. Graduation is a formal and dignified ceremony, and students are expected to behave appropriately.
2. No personal items may be carried by students.
3. Students must remain in their seats during the ceremony until the appropriate time for them to cross the stage and upon completion of the Recessional.
4. A staff member will be seated in each row to assist in monitoring. Disruptive students may be escorted from the ceremony.
5. Dress Code – proper dress is as follows: dress shirt/blouse, dress slacks, dress/skirt, socks and dress shoes (heels do not work well on the Astro turf). It is not necessary to wear a coat under the gown. Cap and gown is required to participate in the graduation exercise.
6. Gown—no decoration or alteration of any kind is allowed.
7. Caps – may be decorated but must be flat and school appropriate.
8. Any graduate found under the influence of alcohol, or any other controlled substance will be removed from the ceremony.

SENIOR CLEARANCE:

1. **Clearance Slips** with instructions will be given to all seniors.
2. **Library Books** — All seniors must be clear with the Library. If you have questions regarding your status, please check with the Librarian (925)625-5900 x3016.
