

Robert Pardi is raising funds for:

Heritage High Robotics World Premier Event Field Trip

FIRST® Tech Challenge Michiana Premier Event Presented by GEAC

June 19-22, 2025

The Heritage High School FIRST Tech Challenge robotics team has just been invited to join 95 other FTC teams from around the world and compete for four days of competition in the FIRST® Tech Challenge Michiana Premier Event. This is an opportunity of a lifetime for these students.

Please consider making a donation to our cause to help offset travel, hotel, and ground transportation expenses, as well as the \$1600 entry fee for the competition. If we don't raise enough money for the trip, your donation will go towards our program to cover some of next year's expenses.
