# Hybrid Learning Bell Schedule

Freedom, Heritage and Liberty High Schools

Each high school will assign students in groups "1" or "2." When either group is receiving in-person instruction, the other group will receive distance learning for two consecutive school days utilizing the current A/B class schedule. In-person instruction will be provided for sixty-minute periods. During each student's Distance Learning day, the student will be required to participate, via Zoom (synchronous learning) for up to sixty-minutes, based on the assigned teacher's discretion with at least a ten-minute minimum. The remainder of the sixty-minute period will include asynchronous assignments posted on CANVAS.
