EVENTS/HAPPENINGS:

**Important Reminders**

With five weeks left of school, it's important for students to do all they can to pass their S2 classes. Attending classes on a daily basis is important in staying current with your work and avoid falling behind. Remember, *teachers provide after school student tutorial on Tuesdays, Wednesdays and Thursdays*. Make sure to reach out to them if you have questions, concerns or need more help with your assignments. Don't wait until the last minute to turn things around. Make every day count! Let's do this!

- **Hey Patriots!** Through this very difficult time, we are trying to find new ways to appreciate and recognize anyone in the community who has made your quarantine experience better. We have created a way for students, teachers, parents, etc. to send a kind message of appreciation in a project we are calling the **Heritage High Anonymous Project**. These messages will be sent to the recipient anonymously and will be monitored so no inappropriate behavior will be accepted. All of these messages will be posted on our Instagram **@hhsanonymousproject** so that you can read all of them in one place, and some messages will be selected to be read out on our weekly morning announcements. We created this project to spread positivity and hopefully make others smile. **You can submit a message through the google form below or on our Instagram.** Have an amazing week everyone!
