

Liberty Union High School District

Community Feedback Meetings

Please join us as we gather feedback on our district's Local Control Accountability Plan (LCAP). Come and learn about the wide variety of programs and services we provide for our students. We would appreciate your feedback on the following questions:

- Which programs and services are working well for our students?
- What suggestions or new ideas do you have to improve the quality of the programs we offer?

There will be three evening meetings; please attend the one that works best for you:

Heritage High School	March 5, 2018	7 PM	College and Career Center
Liberty High School	March 6, 2018	7 PM	College and Career Center
Freedom High School	March 8, 2018	7 PM	College and Career Center

We look forward to seeing you! Thank you for helping to improve the quality of our schools.
