Dear Liberty Class of 2020 Families,

Early on, under the Shelter in Place Order, our minds were on our seniors. One of the first things LUHSD tackled was how do we celebrate graduation. Luckily, local community members jumped in and began the process of securing senior signs. We knew this was a start, but we also knew that it was not enough. Earlier this month we decided that the tradition of commencement should be held if possible. Therefore, with the Board of Trustee's blessing, pending local health and law enforcement guidelines, we will have commencement ceremonies for our seniors during the week of June 22. Unfortunately, we do not plan on being allowed to have spectators on our sites. The ceremonies will be at a minimum recorded for viewing, some will be live streamed. Schools are concurrently working on a virtual ceremony and may elect to do another event if the actual commencement ceremony cannot take place.

Actual dates for the ceremonies will be as follows:

June 22	Freedom, La Paloma, and Independence High Schools
June 23	Heritage High School
June 24	Liberty High School

Times to be determined. Outdoor ceremonies will most likely be early morning or evening.

The next question on everyone's mind is when will we find out about the ceremony? We will make a definitive decision the first week in June to allow schools to make alternative plans. Obviously, our seniors have sacrificed many aspects of their senior year, hopefully it will not be the ceremony that has been a part of LUHSD for over 100 years.

Sincerely,

Eric L. Volta
