

## Policy for Students With Special Dietary Needs

1. Students With Disabilities:
  - a. Students with disabilities must provide a written statement from a licensed physician and complete form CNP-925.
  - b. All approvals must be reviewed by the Food Service Supervisor and filed for at least three years.
  - c. If it is determined that a student has a disability, the Food Service Director will add the disability onto the Titan Software so that the student can be provided with a replacement meal.
  - d. All students with disabilities will be provided with replacement meals.
  
2. Students with "Non-Disabilities":
  - a. Students that do not have a disability but request meal accommodation will need either (1) written doctor's note or (2) parental note explaining the non-disability and including possible replacement items.
  - b. Accommodations will be reviewed on a case by case basis, and every attempt will be made to accommodate the student.
