Dear Parent or Guardian:

The Liberty Union High School District takes part in the National School Lunch/Breakfast programs and this year with Universal Meals, all students will receive a FREE Breakfast and Lunch Daily! Nutrition is important for feeding the brain and academic success. Healthy meals are served every school day and our goal is to meet or exceed the Federal Requirements.

Even though school meals are free to all students, please take the time to complete the Free and Reduced meal application.

Why is it still important that you complete the Free and Reduced Meal Application?

1. It will help provide **essential funding** for your school
2. You may become eligible for [Pandemic EBT](#)
3. You may receive **discounted utilities** and **internet access**
4. You may become eligible for **free enrollment** in some afterschool care programs
5. You may become eligible for **Testing fee waivers** (SAT, PSAT and AP)
6. You may receive benefits **regardless of citizenship status**

Apply
starting July
