Classroom Activities/Lesson Plan**A.M. Jobs: Calendar**

This A.M. job includes marking today's date on the room's calendar and affixing the correct day, month, date and year to the calendar report for the entire class to view. The calendar person will also write the date on the calendar report __ / __ / __ each day.

The calendar report reads:

Today is _____ (Day)

_____, _____, _____ (Month), (Date), (Year)

Yesterday was _____ (Day)

Tomorrow will be _____ (Day)

- **This is to be done prior to Morning Meeting (3.0). The calendar person will be responsible for reading the date aloud to all team members during Morning Meeting.** All team members will then locate this date on their own calendars and mark it off with an X.
- The calendar person will also announce any class-related activities for the week during calendar time (job tours, community outings, etc.), so this may need to be looked up during this A.M. job time as well. He or she may also ask if there are other special occasions for the day. Team members may report on birthdays, events happening at home, etc.
- A supervisor may also ask calendar-related questions as discussed in Task 1.2.

Differentiated Tasks*Level 3*

- Team members will identify the day, date and activities for the current day and place information on a chart.

Level 2
