Review for Spanish Prepositions Video

Please note that this handout is meant to be used with the YouTube video titled Spanish Prepositions by Profe C. Here is the link: <https://www.youtube.com/watch?v=pwN8h9zqNzo>

To use this resource, first fold it in half along the dotted lines, second decide how you want to study! Level 1 would be to look at the side with the words and see if you can translate them into English. Level 2 would be looking at the side with the pictures and seeing if you can remember how to say it in Spanish. Good luck! If you have any questions or suggestions please comment below the video.
