June 2016

Dear Parents,

Home-to-school bus transportation fees for the 2016-2017 school year will be \$556 for a regular annual round trip. To assist families, bus passes are available on an annual, semi-annual, or quarterly basis. One-way bus passes are available for either morning or afternoon trips. A discount of 10% will be given for round-trip annual passes purchased by July 28, 2016.

Applications for regular education transportation services will be available beginning July 1, 2016 at the East Contra Costa Schools Transportation Department, at 20 Oak Street, Brentwood and at Heritage High School's Walk-Thru. Applications and payments must be made at the Transportation Office, Monday through Friday from 7:00 a.m. to 4:30 p.m. The Transportation Office will be closed the morning of July 29 for a district-wide meeting. Applications for free transportation services for low-income families are available at the same locations, proof of income is required. **Applications and payments will not be accepted at the Walk-Thru or at the school office.**

The safety and security of our students is always the primary concern of the Transportation Department. In consideration of safety issues there will not be a grace period at the beginning of the school year allowing students to ride without a bus pass. Each student must have a bus pass prior to riding the bus. Please make sure you have purchased bus passes by July 29 if you intend for your child to ride the bus on the first day of school.

Should you have any questions regarding regular education home-to-school transportation services, please contact the East Contra Costa Schools Transportation Department at 634-2700.
