

Directions for Farmer A

You are Farmer A. You produce potatoes and pineapples. This is your goal:

Goal: Obtain 4 potatoes and 2 pineapples in one round.

For each round, choose one of the five production options from the production schedule.

Farmer A's Production Schedule		
	Potatoes	Pineapples
Option 1	4	0
Option 2	3	1
Option 3	2	2
Option 4	1	3
Option 5	0	4

After each round, complete the corresponding row in the ledger below.

Farmer's Ledger					
	Potatoes Produced	Pineapples Produced	Potatoes at End of Round	Pineapples at End of Round	Goal Met? (yes or no)
