As of 4/22, Governor Gavin Newsom has issued a face mask requirement to be followed by 6 Bay Area counties in order to slow the spread of Covid-19. Violators will be ticketed by local law enforcement for being “non-compliant” to state law.

What is your opinion of this new law in our county? Is it just or unjust? Should this law be upheld by law enforcement or should this be an individual’s choice? Explain your opinion with examples. Should there be exceptions? What are they? Discuss.
