Music Theory & Tech Listening Log

Song Title:

Performer/Group/Artist:

Reference of listening source (link or album info):

Directions:

Choose a performance and write a journal review using the guidelines below on a separate sheet of paper. Please make sure song choice is school appropriate. You must submit a reference/resource at the top of the page for the recording/video you are reviewing. All journals must be typed and attached to this paper. Fill in the information at the top of this page and attach your journal/log, 1 page minimum.

Questions to consider:

- Is it a live recording or studio recording?
- List all the instruments/sounds you hear recorded in this piece.
- What is the tempo?
- What is the style?
- What are the voice types and instruments being used?
- What is the mood of this piece?
- What musical characteristics imply the mood?
- What is the text about?
- What is most memorable about this performance?
- Describe any visual aspect that make the performance interesting.
- Describe what you like about this piece.
- Why was this piece written and/or performed?
