IF YOU ARE APPLYING TO A UC or CSU COLLEGE:

Completion of the "A-G" sequence of classes is required with a grade of "C" or better. Repeating a course may not earn credit. Directions: 1.) Select your required classes by placing an X in the box preceding the course number. Choose a Social Science, English, Science, Health, and P.E. class. Your math placement will be confirmed by your teacher. 2.) Select 4 additional courses to complete your 8 period schedule. Circle the semester if applicable. **Use the worksheet and example on page 6 of your catalog to make sure you have selected enough classes for a complete schedule. 2 semester courses or 1 year-long course = 1 period.** All courses are year-long unless the title has (SX) at the end. 3.) Write the course number and title for alternate courses in the spaces provided at the bottom of this form. 4.) Scan the QR Code (above right) or go to <https://luhsd.asp.aeries.net/Student/LoginParent.aspx> to login to Aeries and enter your courses online. 5.) Return this signed paper copy to Freedom High School as verification of your selections. We will collect the sheet outside of the main office. *Must be 15 1/2 years old -- "SX" is a semester elective course -- "(SX or YR)" is a semester elective course that can be repeated. Circle "YR" if you would like to enroll for both semesters. Online catalog with course descriptions can be found on our web site at www.luhsd.net/freedom
