IF YOU ARE APPLYING TO A UC or CSU COLLEGE:
Completion of the "A-G" sequence of classes is required with a grade of "C" or better. Repeating a course may not earn credit. Please be sure to read page 4 of the course catalog to ensure that your student meets all the requirements to qualify to attend the college of their choice. Course names designated with the "P-" are A-G college prep classes used to meet UC/CSU requirements. It is strongly recommended your student enroll in five college prep classes.

"A" Government *1 Semester required*	"B" English *4 Years required*	"C" Math *3+ Years required including Algebra 2*	"D" Science *2+ Years Lab Science required*	"E" World Language *2 Years required 3 Years recommended*	"F" Fine Art *1 Year required*	"G" Economics *1 Semester required*

Directions: 1.) Select your required Government, Economics, and English classes. 2.) Select up to 6 additional courses to complete your schedule. *Use the worksheet and example on page 6 of your catalog to make sure you have selected enough classes for a complete schedule.* A complete schedule has 8 periods of year-long and/or semester courses. (*2 semester courses = 1 period or 1 year-long course = 1 period*) All courses are year-long unless the title has (SX) at the end. 3.) In case the elective classes you request are filled or unavailable, write the course number and title for three alternate courses in the spaces provided at the bottom of this form. 4.) If you want unscheduled periods, enter the total number below (maximum is two). Select whether you want morning or afternoon unscheduled period(s). 5.) Scan the QR Code (above right) or go to https://luhsd.asp.aeries.net/Student/LoginParent.aspx to login to Aeries and enter your courses online. 6.) Return this signed paper copy to Freedom High School as verification of your selections. We will collect the sheet outside of the main office.

* = Two Period Class -- TR = Teacher Recommendation Required -- "SX" is a semester elective course -- "(SX or YR)" is a semester elective course that can be repeated. Circle "YR" if you would like to enroll for both semesters. Online catalog with course descriptions can be found on our web site at www.luhsd.net/freedom.
