College Entrance Tests

■ The SAT and ACT are standardized tests measuring a student's readiness for college. Taking the SAT or ACT is a necessary step for high school students who want to apply/enter directly into a 4-year college/university.

■ Note: students planning on attending a community college are not required to take these tests
■ Difference between ACT and SAT is ACT has science which is 25% of the score and career component with Math only 25% of score. English is 50%. SAT is 50% English and 50% Math.
Athletes and the NCAA

- Anyone planning on playing Division 1 or Division 2 sports?
  1. Look over the NCAA page on the back of your booklet - take the right courses and earn the best grades to help you become eligible for Division 1 or Division 2 sport scholarship sign up for NCAA if interested in trying for an athletic scholarship.
  2. College requirements are slightly different than the A-G.
  GPA + test scores: For college eligibility and NCAA eligibility, notice as your GPA goes up, your test score can be a bit lower.

Thinking about taking an AP course?

- You must turn in an AP Commitment Form for each AP class
- To DROP an AP class there is a Special AP Drop Process
What are the expectations for AP classes?

When making a decision on taking a AP course consider the following:

- Agree to the rigor/time commitment
- Meet the pre-requisites
- Expectation to take the AP exam in May
In the course catalog you will find additional information.
Sample Screen Shots
1. If you have a student portal account, sign into your account

2. If you have forgotten your password, follow the Forgot Password prompt

1a. Create a new account if you have not accessed student Portal previously
Step 1: Click on Student Info
Step 2: Select Course Requests Entry
Notice that courses are organized by subject area.

Preloaded courses based on next year’s grade level.

To delete a class, click on the [delete icon].
This step is for students who want to change course to the higher level. In this screen, you can modify the preloaded course by selecting the higher level course such as in English, math, science, and history when available.

Please remember that Advanced Placement courses will have a minimum of 10-12 hours of homework weekly.
