Academic Support Information

Tutorial Services

Freedom High School offers a variety of tutorial services to support students in learning. Students are also encouraged to speak with their teachers for tutoring assistance. The following opportunities are available for students to seek additional help and/or complete assignments:

Study Hall – A full block period to complete assignments, study or go to the Math Lab.

Focused Falcon Thursday Advisory Period – Focused Falcon Thursday passes are obtained in advance by students from the teacher with whom the student needs additional assistance, prior to Focused Falcon Thursday's advisory period.

Math Lab – Assistance is available daily, periods one through eight. The Math Lab is located in room C119.

Homework Extended Learning Program (HELP) – Academic support is offered Monday through Thursday from 3:15 to 4:15 pm. The HELP Lab is run by teachers and is located in B119.

Aeries Parent Portal

The Aeries Parent Portal is a secure website that provides attendance, schedule and assignment information to parents who have an account. To obtain an account, the parents/guardians must provide a valid email address to the school. When this information is entered, it will automatically create an account attached to the student, and an email to the parent with the password will be generated. Parents can go to <https://parents.luhsd.net> and enter the username and password that was emailed to them to access their student's information.

Parents/guardians can also use this same web address to look up a forgotten password. For additional information and support, please see the Parent Info tab on the district website at www.luhsd.net or call your student's building office.

Counseling

Counselors assist students to help them in long-range academic planning as well as to support their success throughout their high school careers. They ensure that students are placed in appropriate courses related to their interests, ability and achievement. In addition, counselors monitor students' progress toward graduation and they keep parents/guardians informed of their student's academic progress. They also provide parents/guardians with information on professional programs designed to help students whose problems are beyond the scope of the school guidance counselor. Counselors are available to meet with students by appointment; students can make appointments with their building counselor by going to their building office before school, during lunch, after school, or by calling (925) 625-5900 and the counselor's extension: Sanchez, ext. 3083; Clarke, ext. 3075; Tang, ext. 3550; Carroll, ext. 3554; Yarbrough, ext. 3074.

Career Center

The Career Center Technicians can assist students with career exploration, post high school training information, resume information, college/industry visitation programs and much more. The Career Center Technicians can be reached at (925) 625-5900 ext. 3024 or 3234. The Career Center is open from 8:00am - 4:00pm daily.

Academic Letter

Students who are eligible for an Academic Letter should go to the C Building Office. Students are awarded an Academic Letter if they meet the following criteria:

1. Total weighted GPA of 3.75 or higher in either the fall or spring semester of the previous school year.
2. A student must have taken a minimum of five college preparatory (A-G) courses. College courses are designated with a P.

Athletics

Athletic Eligibility

To be eligible in the athletic program at Freedom High School, students must meet the following requirements:

1. Students must be enrolled in 20 credits or more at Freedom High School.
2. The student has earned credits at a rate of no less than the equivalent of 20 semester credits of work behind normal progress at any time prior to graduation AND the student is no more than two courses behind normal progress in successfully completing specific courses required for HS graduation as prescribed by the governing board.
3. Students must maintain at least a 2.0 grade point average each quarter. If a student does not have a 2.0 average, the student is ineligible until the completion of the next grading period. If the sport allows academic probation and if the student's quarter grade point average is between 1.75 - 1.99 and has no more than one(1) F, the student is eligible to apply for athletic probation. To arrange for a probation hearing, the student or the student's parent needs to contact the Athletic Director. If the student does not live within the district boundaries, students must also contact the Athletic Director.

Freedom High School ethics for spectators

- Spectators are required to carry and show photo ID when requested by school staff.
- Spectators are required to maintain a high degree of sportsmanship during athletic contests.
- Spectators must, at all times, remain in the designated seating areas while a contest is in progress.
- No spectator is allowed to confront an official, coach, or player before, during or after an athletic contest.
- The actions of a spectator, detrimental to the playing of the game, may cause forfeiture of that contest.

The following behavior is unacceptable at all NCS/CIF high school contests:

1. Berating your opponent's school or mascot.
2. Berating, yelling, booing or chanting at opposing players or coaches before, during or after a game. Personal attacks will not be tolerated.
3. Obscene cheers or gestures.
4. Negative signs. All signs must show only positive support. Those which direct negative comments towards opponents or are unsportsmanlike or vulgar are not permitted.
5. Noisemakers (Artificial noisemakers shall not be used at any event. Artificial noisemakers include, but are not limited to, megaphones, air horns, bells, whistles, clickers, thunder sticks, explosive devices, etc).
6. Laser pointers.
7. Complaining about an official's call(s) – verbal or gesture.
8. Throwing objects onto the playing area before, during or after a contest.
9. Entering the playing area before and during a contest, including the awards ceremony, if applicable.

All students must exit the campus within 30 minutes of the ending of the event or they may receive a consequence of not attending the next school event. Any spectator who fails to abide by the above rules will be asked to leave the premises and complete the NFHS online sportsmanship class.

Administration may prohibit attendance at any school activity of any person(s) who, in the judgment of the administration, causes or contributes to a negative or unsafe environment, or due to the students placed on REVA- Revoked Activities Privileges due to not having served assigned Thursday School(s). In and out privileges are severely restricted at athletic contests. Permission will be granted at the discretion of administration. Backpacks, bicycles, skateboards, scooters and animals are not allowed at athletic contests.

Athletic Letter:

Students who are eligible for an Athletic Letter should see the Athletic Director for more information.

Attendance Procedures

Students are expected to attend each scheduled class. Classroom experiences are meaningful and essential components of the learning process. Meeting class attendance requirements helps instill concepts of self-discipline, exposes the students to group interactions with teachers and fellow students, enables the student to hear and participate in class discussions, and involves the student in educational experiences not available in other circumstances. Instructional and learning opportunities lost through absence from class may not be retrievable.

If your student is absent from class please call the attendance office at 625-5900 ext. 3073, 3072, 3434, or email the attendance office at FHSattendance@luhsd.net to excuse the absence. Parents/guardians can also track their student's attendance via the Aeries Parent Portal.

All absences must be cleared within 48 school hours from the date of absence. If clearance is not obtained within this time period, make-up privileges for work missed may be denied. Students who miss school work because of unexcused absences may be required to make up missed work for full or reduced credit. Teachers shall assign such make-up work as necessary to ensure academic progress, not as a punitive measure (BP 6154). Students are responsible to obtain work from their teachers.

We encourage you to clear an absence(s) within the same day that the student is absent. If no notification is given to the attendance office, then parents/guardians will receive a phone call from a computerized system in order to notify/remind them of their student's absence. Also, calling in advance relieves staff from calling parents/guardians at home or work to report student absence. Parents/guardians may also excuse their student's absence with a written letter to the office. **Any absences due to illness beyond sixteen days in a school year must be verified by a physician's note.** Excessive absences, excused and others, will be referred to the School Attendance Review Board (SARB).

When a student is going to be absent from school, his/her parent/guardian must phone the attendance office and state the reason for the absence and the date their student will return to class. If a student brings a note instead of having his/her parent/guardian call, the student must drop the note off to the attendance office when he/she returns to school.

Valid excuses (as per Ed. Code 48205) - ALL other absences are unexcused:

1. Illness or quarantine.
2. Medical or dental appointments of an emergency nature.
3. Attendance at funeral services for a member of your immediate family.
4. Court appearance.
5. Exclusion, for up to 10 days, to obtain immunizations.
6. Excused up to 4 hours/semester in order to participate in religious instruction or exercises.

Truancy and Tardies

Truancies and tardies are not acceptable at Freedom High School. A class-cut, or truancy, is an absence from a class without prior, parental, administrative, or teacher approval or being more than thirty (30) minutes late to a class (8 minutes/one third of the period late to Advisory). An absence not cleared will show up as a truancy and make-up work may not be allowed. Appropriate disciplinary consequences will be assigned. Students are accountable for their attendance to Advisory periods. Students out of class without a valid hall pass will receive disciplinary consequences. Students' punctuality is an expectation. If a student is not in class when the tardy bell rings, they will be marked absent until they arrive. Once the student arrives after the bell, the teacher will change the absence to a tardy. If the student arrives 30+ minutes after the class begins, they are to report to the attendance office for an admit slip. All tardies and truancies are subject to disciplinary consequences.

Students with more than **three tardies** weekly will be assigned to **After-School Detention**. Students who are **tardy to 3rd or 7th period classes** will be automatically assigned **Lunch Detention**. Students with more than two uncleared absences weekly will be assigned to **Thursday School**. Parents/guardians will be notified weekly. Students not serving an After-School Detention will be assigned to Thursday School. Students not serving a Thursday School will be added to the REVA (Revoked Activities) List (see page 16).

Vacations during the school year are *strongly discouraged*. Students who miss school work because of unexcused absence may be required to make up missed work for full or reduced credit. Teachers shall assign such make-up work as necessary to ensure academic progress, not as a punitive measure (BP 6154).

Closed Campus

Freedom High School is a closed campus. Once a student arrives on campus it is expected they remain on school grounds until the end of their school day. Students who must leave campus for medical or other valid reasons according to education code must obtain a permit to leave campus from the attendance office **prior to leaving campus**. Failure to do so, will result in appropriate disciplinary actions. **Only** the parent or guardian of record may notify the attendance office via phone or note to allow their student to obtain a permit to leave campus. If you request a permit to leave campus for your student, please call the attendance line 925-625-5900 ext. 3072 or 3073 and be prepared to verify the following information:

- Full name of student
- Student ID (if you have it)
- Your name and relationship to the student
- Time of student departure
- Reason for leaving
- If the student will return to campus
- How the student will leave campus (driving self, walking, parent/guardian pick up)

If you return to school on the same day, you must check back in to the attendance office. We encourage all doctor and dental appointments to be made after school hours.

*Please note: When picking up your student from the A building, please be prepared to show your identification and allow 15 minutes for the student to be brought to the attendance office. When calling in for a permit to leave campus, please allow one class period for the student to receive their pass.

Co-Curricular Activity Absences

Students must receive permission to be absent from their classes a minimum of 24 hours in advance due to co-curricular activity (participation in an activity).

HERO

We use a behavior management system called HERO. If a student is late to class, they must report to the nearest building office secretary, or find the nearest campus supervisor, to have their ID scanned. Once scanned, the student will be issued a tardy pass and the tardy will automatically be reflected in their attendance. The tardy pass will indicate what time the student was scanned, as well as indicate the student's consequence. This tardy pass must be shown to the teacher in order to enter the classroom. Teachers do not allow tardy students to enter the classroom unless they have a tardy pass. Emails will automatically go home to parents/guardians when a student has reached a certain number of tardies in a week. Campus supervisors also use HERO to issue consequences to students who are out of class without a pass, wandering, caught in out-of-bounds area /out of their areas, or for dress code violations.

Home and Hospital

Home instruction is extended to students who will be absent at least three (3) weeks for long-term illness (BP 6183). This instruction is limited in scope and a request with accompanied documentation must be submitted to the student's building office for processing.

Short-Term Independent Study

Short-Term Independent Study is for students who need independent study for situations requiring the students be away from school for six to ten days. Students may go to their building office at least five days before their first day of absence to get the contract/agreement for Short-Term Independent Study.

Bus Transportation

For bus transportation information, parents/guardians may call 925-634-2700. Students are held accountable to Ed. Code 48900 while riding the bus to and from school. There will be school consequences for transportation behavior referrals.

Any violators will be subject to discipline including, but not limited to, the loss of their computer privileges.

Conflict Peer Mediation

If a student is in conflict with another student or a group of students, we encourage them to report it to their building office so that appropriate action may be taken. Conflict mediation is an acceptable, confidential and strictly peer-driven program that assists in teaching students non-violent methods of solving a problem. Any student involved in a fight, including a student who jumps in, is subject to disciplinary action(s).

Discipline Policy and Procedures

Disclaimer: The rules you are about to read in this Code of Conduct supplement are in addition to Freedom High School's broad, discretionary authority to maintain safety, order, and discipline in the school zone. These rules support, but do not limit, our authority.

Our discipline policy and procedures are intended to promote consistent and fair treatment of all students in an atmosphere of open communication, self-discipline, and clearly communicated rules and regulations.

Expectations of Our School Community

In all instances, written documentation regarding the behavioral incident and subsequent parent/guardian communication should be submitted to the principal or administrator handling the incident. All disciplinary actions will be governed by the California Education Code and the Liberty Union High School Board of Education.

Code of Conduct

At Freedom High School, we believe it is the basic right of each student to receive a quality education. School and classroom rules are designed to enhance quality education, prevent disruption and protect students.

Students are responsible for their behavior and the consequences of good or poor judgment. Students are subject to school rules, policies and behavior expectations on the way to and from school, on school premises and at school-sponsored functions.

Video surveillance will occur throughout the school year as a resource to help ensure the safety of students, staff and school property. A video recording of actions by students may be used by Freedom High School and/or the Liberty Union High School District as evidence in any disciplinary action brought against a student(s) arising out of the student's conduct in or around the Liberty Union High School District and its property.

Bullying of any kind, including cyberbullying, is not acceptable and will not be tolerated. If a student is found to have engaged in any kind of bullying, severe consequences will be administered including, but not limited to, suspension and expulsion (Ed. Code 48900(r) and Ed. Code 32261(r)).

Teachers will inform students of classroom rules, specific to their instructional situations. Students and parents should familiarize themselves with the LUHSD discipline matrix, in addition to expectations of safe and reasonable conduct.

Students who are subject to disciplinary investigation may be subject to breathalyzer and field sobriety tests.

Direction from school personnel

Each student is expected to follow reasonable rules, directions, instructions and requests from teachers, student teachers, substitute teachers, instructional assistants, principals, campus supervisors, or any other authorized school personnel during any period of time when he/she is properly under the authority of school personnel. Failure to do so will result in disciplinary consequences.

Disciplinary Consequences

The Liberty Union High School District discipline matrix begins on page 27.

After-School Detention

After-school detentions are held from Monday-Wednesday and Fridays, from 3:10 to 4:10 pm in D119. If a student fails to attend an assigned after-school detention, the student will result in further disciplinary consequences, starting with student being assigned to Thursday School.

In-School Suspension (ISS)

Students assigned to In-School Suspension (ISS) must make arrangements to make up the work they miss while in ISS. ISS is an alternative to suspension at the discretion of administration and is an excused absence from class. If a student is assigned to more than two periods of ISS, the student is not allowed to attend any extracurricular activity that day. If a student gets a Permit to Leave Campus out of ISS, they will be reassigned one (1) day of ISS.

Wednesday School

Wednesday School is held on PDD/late start Wednesdays in room D119 from 8:15 to 9:15 am. Students are expected to be productive during this period of time. Failure to attend or being asked to leave an assigned Wednesday School will result in further disciplinary consequences, starting with student being assigned to Thursday School.

Thursday School

Thursday School is held on Thursdays in room D119 from 3:15 to 5:15 pm. Students are expected to be productive during this period of time. Failure to attend, or being asked to leave, an assigned Thursday School will result in the student being placed on REVA - Revoked Activities Privileges.

REVA (Revoked Activities)

Students who don't serve an assigned Thursday School will be placed on the REVA (Revoked Activities) list and cannot attend athletic events and/or other school-sponsored activities until their consequence is served. Once the student serves the consequence, they will be automatically removed from the REVA list. The REVA list is posted in each building office every Friday.

Suspension

Pursuant to LUHSD Board Policy 5144.1, suspended or expelled students shall be excluded from all school-related extracurricular activities during the suspension or expulsion; this exclusion prohibits students from being on or near any school campus and/or district provided bus transportation. Upon return from a suspension, students will be required to complete a behavior contract with their building administrator.

Dress Code

Students are expected to attend school in clothing that does not disrupt the educational process. Any item of clothing that promotes disruptive and/or demoralizing values, which are inconsistent with and counterproductive to our educational mission, is not permitted. The decision concerning appropriateness of dress is determined by the administration. Refer to B.P. 5132 and A.R. 5132 for additional information.

Avoidance of distracting influences is key to maintaining an appropriate appearance. Any apparel, cosmetic, jewelry, or piercing, even if not specifically mentioned, which creates a safety concern or detracts from the educational process is prohibited.

A student who wears inappropriate clothing to school will be asked to change into appropriate attire before returning to classes, and disciplinary consequences may be assigned. California courts support reasonable and clear school regulations governing the appearance of students.

The following guideline shall apply to all school activities:

- Garments that expose the chest, and tank tops with extended armholes are prohibited.
- Shirts and shoes are required at all times. No bare midriffs or bare backs, no low cut or revealing tops are allowed. No “off-the-shoulder” garments are to be worn. Garments, including pants, shall be sufficient to conceal underclothes. No underclothing should be worn as outer clothing.
- References or innuendoes to drugs, alcohol, weapons, sex, tobacco, racial slurs, profanity or any disparaging remarks are prohibited.
- Hats, hoods or other non-religious head coverings are not to be worn in classrooms/instructional areas.
- Any gang symbols are strictly prohibited. A more restrictive policy may be applied as necessary to maintain a safe and orderly campus.
- Students must follow the correct dress code attire for Physical Education, which includes a gray tee shirt, navy blue shorts and appropriate shoes. **Board Policy (AR 5132) prohibits the wearing of any jewelry at any time.**

Electronic devices

Students may carry cell phones at school, but may NOT use them or have them on during instructional time unless being used for instructional purposes as directed/permitted by the teacher. **Phones are not to be used to take pictures or video footage.** Use during class time or inappropriate use will result in confiscation of device and disciplinary consequences. Video cameras are not allowed on campus without administrative approval. Refer to BP 5131 for additional information.

Any student caught misusing a cell phone or video recording device (i.e. unauthorized taking pictures, videotaping of students and/or staff, videotaping a fight, or calling for non-students to come on campus, etc.) will be subject to disciplinary action.

We encourage all students to leave their electronic devices at home. If you choose to bring these items, they are susceptible to theft. The school is **NOT** responsible for these items.

Food & Drink

The cafeteria and snack bars at Freedom High School utilize the MyNutrikids.com system which is a safe and convenient system for online prepayments and nutrition education. MyNutrikids.com provides a fast, easy and secure way to view child account purchases and updated meal balances. When your child’s meal balance gets low, money can be added to their account from the convenience of your home or office. For more information about this program, including instruction on creating an account for your student, please visit: <http://www.mynutrikids.com>.

Free and Reduced Lunch program (NSLP) applications should be completed online at <https://family.titank12.com/>

Food and drinks in classrooms are severely restricted. The decision to allow food and drink in the classroom is at the individual teacher's discretion.

Food and drink will only be sold before school, after school, or during lunch. Students selling food or drinks at any other time could be subject to disciplinary consequences.

Food delivery is highly discouraged as this is a safety concern. If food delivery is required, only a parent or guardian may bring food/drink to the A building. Food delivery services are not permitted and will be turned away at the expense of the person who ordered, and a consequence may be assigned to the student.
