

Need Family Information for College Applications

*Here is information on what different higher education institutions require when students are applying to their particular college campuses.

California Community Colleges (CCC):

- **Home Address**
- **Parent Educational Levels**

Independent/Private Universities and Colleges:

- **Parent information**
 - Parents Marital Status
 - Parents Name, Middle Initial, Last Name, Birth Country, and Educational level
 - Number of siblings
- **Family Information**
 - Are any siblings also applying as first-year students to *University Name* this year?
 - Have any relatives attended *University Name*?

California State Universities (CSU):

- **Personal Information:**
 - Parent/Guardian Information:
 - First Name, Last Name, relationship to Applicant
 - Residency
 - Mailing Address
 - Contact information
 - Financial and Parental Information:
 - Total size of parents/stepparents household in 2018
 - Parent's adjusted gross income for 2018
 - Parent's untaxed income and benefits for 2018
 - Parent /Guardian Education Level

Universities of California (UC):

- **Household:**
 - Who lives with the student at their permanent home address?
 - Total income earned in 2018 by parents or legal guardians?
 - How many people were supported by this income?
- **Parent Household Information:**

- Relationship to Student
- If parent is living?
- Parent's current job status?
- Parent's current job
- Parent's highest level of education?
- Parent's contact information

Career and Technical Education (CET):

- **Depends on the college and program**
