

Distance Learning Assignment

Symphonic Band

Week of 4/20/20-4/24/20

Due: Tuesday, April 28 at 11:59 PM (Due to the scheduled Spring Recess)

For this week's assignment, you will complete the following:

- Join your appropriate class(es) on SmartMusic
- Record your excerpt on SmartMusic
- This assignment is worth 50 points
- ****Note the altered due date and time!****
- Full credit will be given based on successfully turning in your assignment, not the SmartMusic assessment grade.

This is the week we're trying out SmartMusic. It is an online tool to help you record your assignments, and it also grades the pitch and rhythmic accuracy of your performance.

SmartMusic is free! Due to the nation-wide school closures, SmartMusic is offering their service for free to all schools and students. However, it isn't perfect. It's recording system doesn't always record your performance perfectly, so you may notice some discrepancies in your score that don't agree with. That's ok! Do the best you can, and send me the best recording you have. You have unlimited tries to get the best score that you can.

You also have access to the full library of warm-ups, solo repertoire, and etude studies for free.

What you need:

- A device that can access the internet, like a computer, tablet, or smart phone. It will need access to your microphone.
- Google Chrome. SmartMusic is only compatible with Chrome, not Firefox, or Safari. I'm not sure about Internet Explorer, or any of its variants.
- Optional- A set of headphones
