

Week 2 **4/13-4/19**

Due 4/19

SUBMIT TO TURNITIN.COM

CLASS CODE 24462931

PASSCODE 373737

Assignment 1 20pts

On a clean piece of paper students will complete their Pandemic Prompt and submit it to turnitin.com this week. Please take a picture and upload it to the correct assignment. Student will be focusing on realistic details and shading. This may be completed using pencils, color pencils, paint, digital, etc.

Assignment 2 20pts

Students will demonstrate their shading and color theory skill by completing one coloring page from the following website. There should be at least 5 different colors, include different shades and tints, and show at least two different shading techniques (stipple, hatching, cross hatching, scribbling, etc.)

https://www.dropbox.com/s/i7h5gzjp7b82gsf/HYBYCOZO_COLORINGPAGES_FREE.pdf?dl=0#

- If you **cannot** print out a coloring page please create your own using the ones on the website as examples. Please sharpie the lines, you will not have to color it.
- If you don't have color pencils shade with a graphite pencil
