

Freedom High School – Recommended Science Pathways

Freshmen

 **Living Earth** (Biology)
Prerequisite: None

 **Environmental Science**
Prerequisite: None

Sophomores

 **Chemistry in the Earth System**
Prerequisite: Living Earth

 **Physics in the Universe**
Prerequisite: Geometry
Algebra 2 recommended

 **Marine Biology**
Prerequisite: Living Earth & Algebra

 **Zoology**
Prerequisite: Living Earth

Juniors

 **AP Chem**
Prerequisite: Chemistry & Algebra 2

 **AP Environmental Science**
Prerequisite: Algebra & Living Earth; Chem recommended

 **AP Physics 1**
Prerequisite: Pre-Calc or Teacher Approval with Algebra 2
recommended Physics in the Universe

 **Biotechnology** Prerequisite: Chemistry

 **Forensics:**
Prerequisite: Living Earth & Chemistry; Geometry recommended

 **S.E.T.L.**
Prerequisite: Living Earth & Geometry; Chem recommended

Seniors

 **AP Biology**
Prerequisites:
Living Earth and Chemistry
Teacher Approval – AP Chem & Statistics recommended

 **Anatomy/Physiology**
Prerequisite: Living Earth
Chem/AP Chem
