

## A Guide to Accessing SpringBoard and Zinc through Clever.com

Start by going to Clever.com

In the top right of the page click the button that says “Log in as a student”

On the next page you will Look up Freedom High School

# Log in

Search for your school

- Freedom High School  
Liberty Union High School District, CA
- Freedom Preparatory Academy  
Flagship High  
Freedom Preparatory Academy, TN
- FREEDOM HIGH SCHOOL  
Hillsborough County Public Schools,  
FL

Once you have selected the correct district you will be taken to a page to log into your clever account. Your username and password are both your 7-digit school ID number.

Teacher Username: Network Login email (example - airolat@luhsd.net)  
Student Username: Student ID number

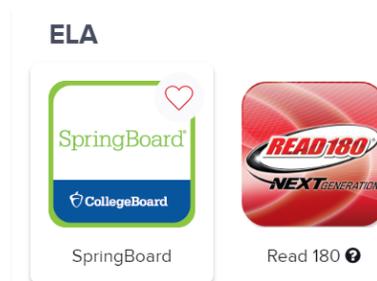

USERNAME

You will be directed to a page that has several apps on it. Under the ELA section you will select the Springboard app.

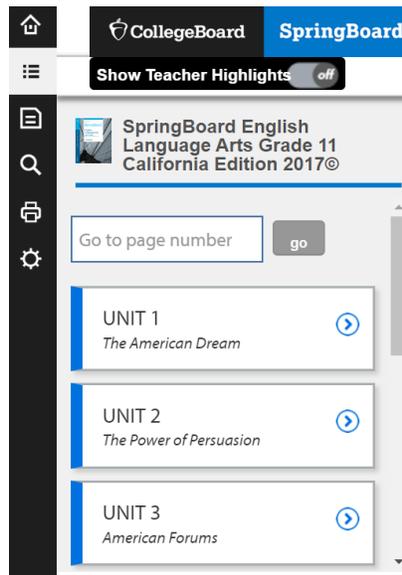

This is what your Springboard homepage will look like:

To get to your digital SpringBoard textbook click on 1.0 ebooks and then select the appropriate grade level book.

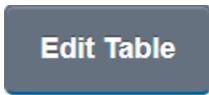

Once you have your textbook up, you can use the menu on the left of the page to access the table of content. From here you can navigate to the correct unit and activity number, or even search for the page number.

Once you have found the correct unit and activity, you can start answering question by (1) hitting the plus sign beneath the question and (2) then selecting the “A” button that appears:

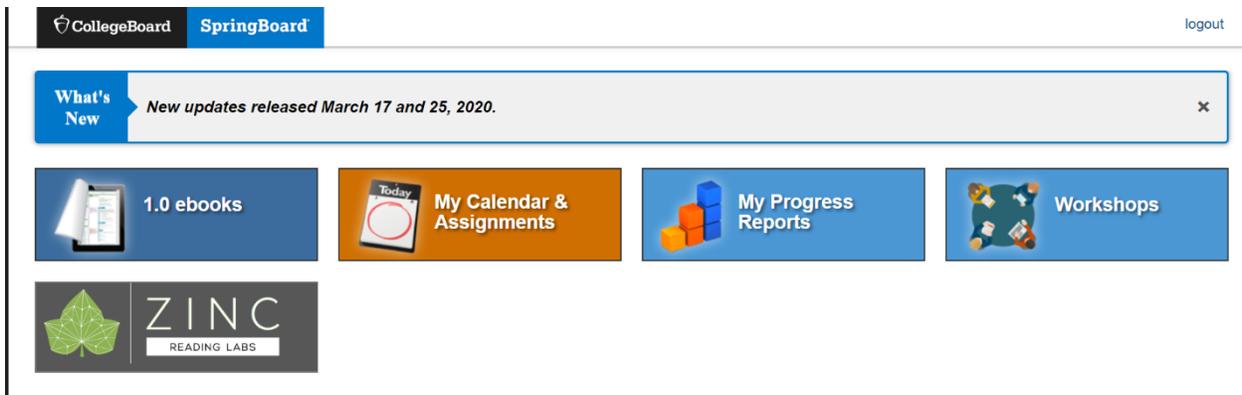

For questions that involve Tables you can also choose to use the “Edit Table” button, which will allow you to fill out the Table.

After answering the question be sure to hit save at the bottom!

You have officially used SpringBoard Online!

To access Zinc Activities, select the “Zinc Reading Labs” app on the SpringBoard homepage

On the ZINC homepage, you can find Assigned readings and activities under “My Assignments.” Here you will select your assignment and follow the instructions that come with it.
