# Winter Ball help

We are asking for donations of food (bagged snacks, treats and sweets) so we are able to offer snacks for everyone!

Would anyone be willing to take charge of this project?

We would also like parent help as part of a “cleanup crew” for after the dance.

We will be having Winter Ball work parties (which can count towards community service) the week leading up to Winter Ball, November 28th-December 1st.
