Dear Class of 2021 and their Families,

Happy New Year and welcome to the last semester of your senior year! This is such an exciting time with a lot of big decisions being made by so many of you on what you will be doing after graduation. We know that this year has not looked like what many of you thought it would be, but please know that you in our thoughts and we cannot wait to get you all back on campus. We know that there are many unknowns right now, but one thing we can guarantee is that we are busy planning a multitude of celebration and recognition events for your class.

We are so proud of the Class of 2021 as they continue to prove on a daily basis how resilient and strong they are which will take them so far in life.
