Students will meet the same core academic graduation requirements as in other schools within the District.

Requirements will establish objectives built on state guidelines for continuation schools and consideration of limited facilities and trained staff.

Course will establish objectives based on:

1. Objectives written for similar classes in the District.
2. Objectives mandated by the state for continuation schools, i.e. the provision for guidance, placement, and follow-up services regarding Work Experience.
3. Objectives based on the stated needs of students.

All elective courses must be approved by the Liberty Union High School District Board of Trustees.
