Classroom Procedures & Expectations: Be Respectful & Do Your Best

- Please respect every person in the class. Please treat others the way you would like to be treated. Please do not use any hurtful words or tones. Please do not be offensive in your words.
- Cell phones should be used appropriately as educational tools. Please do not play games, stream video or visit social media during class. Please do not take photos of people without their permission.
- Attendance is important. Please be on time! Communicate with your teachers and classmates if you are absent. We will work until the end of the period.
- Do your work; occasionally you will also have homework (reading, studying, finishing an assignment)

Academic Grading Policy

Please speak with Mr. Dunn & Mrs. Johnson if you need more time before a due date. Assignments turned in on time may be improved and revised. 50% of the total possible points will be entered in the gradebook for missing assignments. Mrs. Johnson & Mr. Dunn each have grace periods to submit an assignment if you miss the due date.

Projects: Individual and group projects are due on time! An absence is not an excuse for an individual or group not turning in a project. **YOUR PROJECTS ARE DUE AT THE BEGINNING OF CLASS ON THE DUE DATE.** If you are absent due to an emergency, make arrangements to get your project submitted.

Grading Scale:

90–100% A
80–89% B
70–79% C
60–69% D
50–59% F
