

Welcome to Khan Academy!

"20 hours of practice on Khan Academy is associated with an average 115-point score increase from the PSAT/NMSQT to the SAT, nearly double the average gain without Khan"

Follow these four steps to begin using Khan Academy.

- **Step 1: Create your account.** Go to [khanacademy.org](https://www.khanacademy.org). Select **Learner, start here** and follow the prompts to create your account.
Note: For more information about creating your account, click [here](#).
- **Step 2: Add my teacher class code to your account.** Each class has a unique class code. Students can enter the class code at www.khanacademy.org/coaches.

6th period: 

7th period: 

8th period: 

- **Step 3: Link Official SAT scores to Khan Academy.** Students can link their Khan Academy accounts with the "College Board Official SAT" website by clicking here: <https://www.khanacademy.org/sat>. Click "START PRACTICING" and you will see the screen below. Follow the instructions.

STEP 1 OF 2

Set up your personalized practice plan on Official SAT® Practice

Have you already taken the SAT, PSAT/NMSQT®, or PSAT 10?

If so, we can start by practicing what you missed on your test.

If not, no worries! Our diagnostic quizzes and practice tests will figure out what you should practice first.

A Yes, I have taken the SAT, PSAT/NMSQT®, OR PSAT 10.

B No, I haven't taken any of these tests yet.

- **Step 4: Practice for the SAT** using Khan Academy and I will give monitor your work and give you feedback.

Good luck!!
