PHYSICAL EDUCATION

HANDBOOK

"It's not about being the best. It's about being better than you were yesterday."

PHYSICAL EDUCATION EXPECTATIONS FOR ALL CLASSES

The purpose of this handbook is to acquaint you with the procedures and regulations that will help you attain success in your physical education class.

In our curriculum, we include a wide variety of physical activities, a high intensity fitness unit and elective classes that emphasize the relationship that regular exercise and good nutrition have with disease prevention and a healthy lifestyle. Reinforcement of these principles at home can further enhance this very important message.

GRADING and CLASS CONTENT

GRADING SCALE

90—100 = A

80—89 = B

70—79 = C

60—69 = D

59—below = F

Physical Education grades will be determined from the following guidelines:

10 pts	Earned Daily
-25 pts	Non-Dress (ND) / Truancy
	1st ND = warning
	2 nd ND = call parent
	3 rd ND – or more = referral
Up to -8 pts	Improper Dress/Jewelry/
/Non-Participation/Tardy/Gum	
-25 pts	Cell Phone and sent to SLC

PE is a class that is participation and performance/effort based. Regular attendance and being dressed out are vitally important to student success. Absences and non-dresses are the 2 leading causes of low grades in physical education class.

Participation - This area includes involvement in activities, cooperation with teachers and students, sportsmanship, and respect and compliance for all rules.

Skills - This area deals with teacher observation of skills performed, skills tests given, and improvement during each unit.

Written Work - This area deals with written assignments to be done as homework as assigned by the teacher. The second part of this is written test covering the content of the class activity such as rules, history, skill techniques, strategy, and general information concerning each class.

MEDICALS and PE MAKE UPS

Students may be excused from participation for the following:

- Parent Note** – A note from a parent as a medical excuse is valid for a maximum of three days. The note should be given to the physical education teacher. This is considered an excused absence and must be made up.
- Physician Note** – A note from a physician excuses a student from participating as prescribed by the doctor. ***This note must be given to the teacher with specifically what the student can and cannot do so that class work can be appropriately modified.*** Teachers will instruct the student in what will be expected of him/her during the time of the medical excuse. Students with medical excuses are to attend roll and dress in physical education clothes unless a doctor specifies differently. A modified activity may be assigned by the teacher.
- Physician note for 6 weeks or longer** – any student with a six-week or longer excuse must drop physical education for that semester.

Students will be expected to make up class work missed due to medical excuses in order to receive participation credit.

Students may make up participation credit for excused absences and medicals only by attending a Patriot Plus session. Non-dress and unexcused absences cannot be made up.

- Make-ups for absences **must** be completed during the grading period of the occurrence.
- Students must arrive ON TIME and DRESSED OUT in order to make up an absence
- Make-ups are typically 6 laps on the track = 10 points or one day of absence/medical
- Swim make-ups are done in the swimming pool DURING the swim unit only.
- Students may meet with their teacher to discuss alternative activities for an extended length of absence. This is at the discretion of each teacher.
- A maximum of 3 days per quarter may be made up through participation in a school affiliated sport or spirit squad activity. – please discuss with your teacher

ATHLETES - GAME DAYS

Other than special circumstances and approval by their PE teacher, all athletes, dancers and spirit squad members are expected to dress-out and participate on game days.

TEAM COACHES – are to let athletes into the locker rooms during class time not the PE Staff.

The locker room will be open before school for athletes to put their equipment in lockers and closes at 3:30pm

EQUIPMENT AND FACILITIES

Due to safety reasons, students are not to be in any facility unsupervised (including locker room, gym, etc.).

Equipment is furnished by the school district for student use and enjoyment. Students damaging equipment will be responsible for the cost of repair or replacement if the damage was caused by student misuse or abuse. No one should hang on the basketball rim or net. Students should not run up the wall or climb the bleachers when they are stacked.

Water is encouraged but no food or drinks are allowed.

Only athletic shoes should be worn on the gym floors. No dark glasses or chewing gum in any indoor facility. Due to safety/security and class procedures cell phones/headsets/air pods are prohibited in the locker rooms and during class.

1. Only use the locker that has been assigned to you.
2. Mark your clothing with your name so it is highly visible.
3. Student must always lock their belongings inside their locker while in their PE class.
4. Most thefts are due to the unauthorized sharing of lockers and items not being locked up each time.
5. **DO NOT BRING VALUABLES** (i.e. cell phones, iPods, laptops etc.), jewelry or large sums of money to PE
6. Students **should not** share their combination with other students.

Always check lost and found in the PE Locker rooms

Report any incidents to a Physical Education teacher and your SLC immediately.

If needed a theft report should be filled out (at your SLC)

PHYSICAL EDUCATION HANDBOOK

Physical Education is a discipline through which students not only learn the skills necessary to perform physical activities successfully, but also understand the importance of those skills and transfer them to other areas of instruction.

Through participation in physical education students learn to establish goals and develop the perseverance needed for high achievement and the confidence needed to pursue excellence. In addition, they learn to perceive and appreciate similarities and differences among individuals and to cooperate and compete fairly.

The Physical Education Department has compiled this handbook to assist you in a successful year in PE at Heritage High School.

Please list any medical conditions that the P.E. teacher may need to be aware of.

As this information is very important, we are asking that you and your parent/guardian sign below to verify that you have read and understand the expectations for this class.

I have read and understand the Policies and Procedures for Physical Education at Heritage High School.
