Subject: Student Assessment

The Governing Board recognizes that student assessments are an important instructional and accountability tool. Assessment data shall be used to help determine individual students' progress, mastery of academic standards, appropriate placement in district programs, and/or eligibility for graduation. In addition, summary data on student assessment results shall be used by the district to identify and review student achievement goals in the district's local control and accountability plan, evaluate district educational programs in order to identify needed improvements, and, as appropriate, evaluate staff performance.

(cf. 0460 - Local Control and Accountability Plan)
(cf. 0500 - Accountability)
(cf. 2140 - Evaluation of the Superintendent)
(cf. 4115 - Evaluation/Supervision)
(cf. 4315 - Evaluation/Supervision)
(cf. 5121 - Grades/Evaluation of Student Achievement)
(cf. 5123 - Promotion/Acceleration/Retention)
(cf. 6011 - Academic Standards)
(cf. 6142.7 - Physical Education and Activity)
(cf. 6162.51 - State Academic Achievement Tests)
(cf. 6162.52 - High School Exit Examination)
(cf. 6190 - Evaluation of the Instructional Program)

To obtain the most accurate evaluation of student performance, the district shall use a variety of measures, including district, state, and/or national assessments. As appropriate, assessment results shall be disaggregated by student subgroup, classroom, grade level, and/or school site to allow for critical analysis of student needs.

(cf. 3553 - Free and Reduced Price Meals)

In selecting or developing any district assessment, the Superintendent or designee shall examine evidence of its reliability, its validity for the intended purpose and for various student populations, and the extent to which it aligns with the material that is being taught.

The Superintendent or designee shall ensure that assessments are administered in accordance with law and the test publisher's directions and that test administration procedures are fair and equitable for all students.

(cf. 0410 - Nondiscrimination in District Programs and Activities)
(cf. 6162.54 - Test Integrity/Test Preparation)

The Superintendent or designee shall provide professional development as needed to assist administrators and teachers in interpreting and using assessment data to improve student performance and the instructional program.

(cf. 4131 - Staff Development)
(cf. 4331 - Staff Development)

When districtwide and school-level results of student assessments are published by the state, the Superintendent or designee may provide supplementary information to assist parents/guardians and the community in understanding test results.

Subject: Student Assessment

The Superintendent or designee shall ensure that each student, by the end of grade 12, has an individual record of accomplishment that includes the following: (Education Code 60607)

1. The results of the state achievement tests administered pursuant to Education Code 60640-60649 or any predecessor assessments
2. The results of any end-of-course examinations taken
3. The results of any vocational education certification examinations taken
(cf. 6178 - Career Technical Education)

No individual record of accomplishment shall be released to any person, other than the student's parent/guardian or a teacher, counselor, or administrator directly involved with the student, without the written consent of the student's parent/guardian, or the student if he/she is an adult or emancipated minor. The student or his/her parent/guardian may authorize the release of the record of accomplishment to a postsecondary educational institution for the purposes of credit, placement, or admission. (Education Code 60607)

(cf. 5125 - Student Records)

District Standards and Assessment Program

The Superintendent or designee shall ensure that schools comply with the following conditions related to the assessment of students' achievement of district content and performance standards:

1. All students shall be evaluated on all required content standards.
2. Assessment instruments shall meet the following guidelines:
 - the assessment meets the approved achievement target,
 - the assessment uses the approved methodology,
 - the assessment samples student achievement and scope of content appropriately,
