## PRINCIPAL'S MESSAGE (By Larry Oshodi)

Dear Parents,

Great things continue to happen at Heritage. Our two Robotics teams were very successful at the NorCal FIRST Challenge tournament. Team "Patriots" won 2<sup>nd</sup> place in the Control Award category for best use of sensors and computer programming for a robot and the "Spaceballs" qualified to move onto the Western United States Regional Championships. After a grueling and intense season competing against students from the best private and public schools in the county, our Mock Trials Team defeated the defending champions at the Contra Costa County Office of Education (CCCOE) Mock Trials Tournament. I also want to congratulate Celia Rivera for winning 3<sup>rd</sup> place at the San Francisco regionals for the National Shakespeare Competition. Our Speech and Debate team also continue to win individual and team awards, sometimes competing against each other after defeating contestants from other schools. In athletics, all of our winter season teams successfully moved on to the playoffs after the regular season ended. Our boys' soccer team went on to play in the NCS semi-finals game and our girls' basketball team played in the NCS finals game and then moved on to the NorCal state championship tournament. Academically, almost half of our students made the Honor Roll!!

I am extremely proud of our students and staff for their many accomplishments. I'm also proud and very appreciative of the

strong support of our parent community.  
GO PATRIOTS!

By law, most people are now required to have health insurance or pay a penalty when they file their taxes. Through Covered California, a program from the state of California, qualified legal residents of California and their families can compare health insurance plans and enroll in the one that works best for their needs and budget. Financial assistance is available to qualifying individuals and families to help them pay for health insurance premiums. This means the federal government may pay a portion of the health insurance premium. Individuals and families may also qualify for Medi-Cal benefits.

Visit CoveredCA.com to learn more, compare health insurance plans, choose the one that best fits your needs and enroll online. For free, confidential, in-person help, in your area, visit [www.CoveredCA.com/get-help/local](http://www.CoveredCA.com/get-help/local) or call (800) 300-1506.

The open-enrollment period to enroll in Covered California health insurance plans happens once a year. Once the open enrollment period closes, you may enroll in a Covered California health plan only if you have a qualifying life event that makes you eligible to apply. Some examples of qualifying life events are: losing your health coverage, getting married, moving outside your plan's coverage area, having a baby and turning 26. To see if you qualify, visit [www.coveredca.com/individuals-and-families/getting-covered/special-enrollment](http://www.coveredca.com/individuals-and-families/getting-covered/special-enrollment). To enroll during this time, you must apply within 60 days of your qualifying life event. For more information and to find free, confidential, in-person help in your area, visit [www.CoveredCA.com/get-help/local](http://www.CoveredCA.com/get-help/local) or call (800) 300-1506.

Undocumented and non-citizen or permanent-resident parents should not fear that applying on behalf of their children or dependents, who may be eligible for health

coverage, will result in deportation or other immigration-related actions. For more clarification, read the Immigrations and Customs Enforcement memo on health enrollment and immigration at [www.ice.gov/doclib/ero-outreach/pdf/ice-aca-memo.pdf](http://www.ice.gov/doclib/ero-outreach/pdf/ice-aca-memo.pdf) in English and [www.ice.gov/espanol/factsheets/aca-memoSP](http://www.ice.gov/espanol/factsheets/aca-memoSP) in Spanish.

**COUNSELING CORNER  
By Natalie Mathrole**

As we approach the fourth quarter of the year we want to remind you of summer school deadlines that are rapidly approaching (first session deadline is March 11<sup>th</sup> and second session deadline is June 3<sup>rd</sup>). Summer school applications are now available in the SLC offices for those students that need to remediate an F or D grade in a graduation requirement course. Please contact your student's counselor for more information.

We would also like to take this opportunity to thank you for submitting your student's course requests online. If your student signed up to take an Advanced Placement course next year, please make sure that they check in with their teacher for summer work before leaving for summer vacation. Students will be notified of AP courses they will be enrolled in later in the year. If your student changes their mind about taking an AP course, please have them notify their counselor as soon as possible.

If you have a current senior, make sure you are monitoring their grades in current classes to assure that they are still on track for college admissions and graduation. Earning

a D or F grade or a dramatic drop in GPA can jeopardize admissions.

Upcoming topics for next newsletter:

- SAT/ACT
- College Visits

**MOCK TRIALS TEAM**  
(By Tyler Rust)

The Mock Trials Team finished 3<sup>rd</sup> at the CCCOE Mock Trials Tournament. The team defeated the defending champions California High School, finishing higher than any Heritage team in our ten year history.

Mock Trials has the longest season of any team sport, starting in September and ending in February. Over the six months the team traveled to San Raphael, Alhambra HS, Miramonte HS, the Santa Clara Invitational and finally to the CCCOE Tournament at the Martinez Court House.

During the tournament, our team defeated El Cerrito HS, Richmond HS, Campolindo HS, Northgate HS and finally California HS. Many of these teams are coached by lawyers and retired judges. Northgate HS is coached by Mark Peterson, the District Attorney of Contra Costa and the Ron Leone, Vice Mayor of Concord.

**ABI PARENT PORTAL INFORMATION**  
(By Gina Kroner)

The Liberty Union High School District has transitioned to a new Student Information System, Parent Portal through ABI (Aeries Browser Interface) for parents. We think you will enjoy the new interface and access to more timely information. The attendance in the portal is updated live-time, as are any assignment updates completed by the teachers.

**How do I get an account?**

Accounts were generated at the end of the first quarter. Any parent with an accurate email address listed in the student's electronic record received an email with the login process as soon as the portal was opened.

**Do I have to have an email address listed to get an account?**

Yes. If your email address is not listed in your child's record and/or you did not update it at walk-thru, please contact the school or email [hhsattendance@luhsd.net](mailto:hhsattendance@luhsd.net) to have that information listed in your child's electronic record. If you do not have an email account, you can create one for free through G-mail.

**Can my son/daughter sign up for an account?**

Yes, your son/daughter can sign up to access his/her own account. To do so, your son or daughter's email address should be listed in the student's record. The view for a student is identical to that of a parent, so they will want to select "Student" when asked what type of account they want to create.

**Are there resources available to me so I know what to do?**

The ABI Parent Portal website was completed with FAQs, video instructions, and other documentation to assist you in navigating the portal. The interface is

intuitive, so I think you will really enjoy the new service.

**Who do I contact if I need assistance?**

If you need assistance, you may contact Heritage directly; however, we request that you first go to the online resources on the **Parent Info** tab to address your questions.

**CAFETERIA COMPUTERIZED  
PAYMENT SYSTEM**

The Liberty Union High School District recently adopted the Nutrikids computerized Point-of-Sale payment system for meals purchased in the district's cafeterias. Some parents may be familiar with a similar system that is used by some of the elementary schools.

Each student has their own meal account based on their Student ID number. Transactions will only require that the student swipe their ID card across a scanner that is located at each cashier terminal.

The posting of credits to your child's account is done on the Nutrikids website by using a credit card or via Paypal. A link to [nutrikids.com](http://nutrikids.com) is on the Parent Portal, and also on the HHS website. You will be able to view your child's meal purchases online, by accessing your account on the Nutrikids website. We are encouraging you to create an account for your child, but the system is flexible, so you may still pay for meals with cash.

If your child qualifies for Free-or-Reduced price lunches or breakfasts, this information is securely contained within the system and

the transaction will be processed just as it is for all other students.

If you are concerned about a food allergy that your child has, please provide the cafeteria with this information. A warning will appear on the cashier's screen for a quick review of the items on the student's meal tray.

BOYS & GIRLS STATE 2016  
(By Michelle Snyder/Kelly Perkins)

Every year the American Legion and the Women's Auxiliary sends a Heritage High School junior boy and girl to California Boys State or Girls State. The delegates are students that have a sense of civic

responsibility and relates with other boys/girls with a positive attitude. The Delegates are students who could share the beneficial results of his/her experience with their school and community. Boys State is held at Sacramento State University and Girls State is at Pitzer College in Claremont. The delegates will work and study programs in functional government. Current issues are discussed in group sessions and carried out through the legislative process.

Heritage is proud to have two Boys State Delegates – **Alejandro Lara Agraz & Nick Zell**. **Alec Bernal** was selected as the alternate. **Abigail Jeans** will be attending Girls State and **Meredith Muller** was selected as the alternate.

HERITAGE AFJROTC  
(By Tom Sparaco)

The AFJROTC first Radio Controlled Aero Club meeting took place on Monday, January 11, 2016. Romeo Durscher, from Visual Aerials came in and gave a presentation on the countless activities you can do with the Phantom-3 drone.

After the presentation club members went outside and watched as Romeo flew the drone and explained interesting things about the amazing piece of technology. He angled the camera for us to see ourselves from 100 feet up in the sky.

In this new RC Club we will be learning how to fly the drone but also to use radio control to fly it on auto piloted missions. The hope of this club, with the help of the Patriot Jet Team, is to learn the basics of flying radio controlled aircraft while having fun with fellow cadets.
