VOLUME 12, ISSUE 1

PRINCIPAL'S MESSAGE (By Larry Oshodi)

Dear Parents,

We are off to a great start to the 2016/17 school year. As we routinely move and position our staff and other resources to best serve all our students, we made some changes to our Small Learning Communities (SLC) for this year. We have already seen some positive outcomes due to the adjustments.

Our student population increased again this year and added new staff and programs to accommodate the growth and also meet the goals and targets set in our Local Control Accountability Plan (LCAP). We increased our counseling staff from four to five and also increased the number of our campus security personnel. I am happy to inform you that our school district has formulated a comprehensive plan to manage the projected student population growth in our community into the next several years. We will share more of this with you in future newsletters as well as other forums, including our *Coffee with the Principal* event on Tuesday, September 20th at Willy's Bagels across from Heritage High.

I want to use this opportunity to thank all active members of our different booster clubs and our Patriot Parents Organization (PPO). These parent-

volunteers continue to work hard to provide resources and create a safe environment conducive to the academic and other achievements we celebrate and are proud of.

Finally, please see below for the dates and times of other *Coffee with the Principal* events as I truly enjoy the opportunity to hear from you and also share information with you in that informal setting.

GO PATRIOTS!

Larry Oshodi

ATHLETIC CORNER

(By Pat Cruickshank)

Fall 2016

Welcome to the start of another exciting year of Patriot Athletics! It was great to see so many parents and students at our Athletic Orientation night on August 9th! The size of the crowd shows us how important Athletics is to the overall comprehensive high school experience.

Part of our excitement is the tremendous facelift that both our Stadium and Tennis Courts got this summer! If you haven't seen them yet, you are in for a real treat!!

One important point from our Orientation evening was the new on-line registration process for your athlete. This is very similar to last year, but with the switch to a different company came a much more user friendly process. Please go to our school website, hit the athletics tab, and follow the instructions there to register your son or daughter. The physical exam page, which is the only page that needs to be turned in, can be downloaded while you are registering or printed straight off our website. Completed physical exam papers are now turned in to the SLC B office to become fully cleared to participate. Please make sure that you do this at least one week prior to the beginning of tryouts for your particular sport. Waiting to turn these things in and registering late may mean that your student may not be cleared for the first day or so of tryouts. This could affect their ability to make a team!

As for our athletes, they are preparing for a season of tough competition in the always competitive Bay Valley Athletic League! Our fall sports include Football, Girls Volleyball, Cross-Country, Boys

and Girls Water Polo, Girls Golf, Girls Tennis, and Unified Soccer.

Once again a huge Thank you to our Booster club for their tremendous support for Athletics. They are a hard working organization and they need your help! I am pleased to announce that President Jayson Sutton and several other Board members will be returning for 2nd terms. This will help with stability and follow through. They are already planning the New Spring Fling that will replace the May Event. More info coming soon! Please get involved, become a member, and help them so they can help your athletes! All proceeds from the Boosters go directly back to Heritage athletes and their programs!

So, until I see you on the field, court, the course, or the pool deck....

GO PATRIOTS!!!

COUNSELING CORNER

SLC-A1 WATSON * SLC-A2 ARCHIBALD * SLC-B CAMPOS * SLC-C DALTON * SLC-D VALDEZ
(By Christine Dalton)

College-bound 9-11th grade students...

Sign up to take the **PSAT in the student store. Test Date: 10/19/16**

The PSAT is a “preliminary SAT” which helps students prepare for the SAT. This practice exam measures a student’s knowledge in areas of reading, writing, and mathematics.

Why take the PSAT?

*Students who take the PSAT become familiarized with the structure, content and process of taking the SAT.

*Students receive feedback on areas of strength and areas of needed improvement.

*Juniors who take the PSAT may qualify for the National Merit Scholarship program based on PSAT Scores.

Senior Credit Checks

During the fall, counselors will meet individually with all senior students to discuss their status toward graduation along with post high school planning.

Depending on goals, students will receive information regarding:

- College entrance requirements
- Community College registration process
- Scholarship research
- FAFSA
- SAT and ACT
- Military, vocational/technical programs

Expect to receive a copy of your student’s credit check along with verification of graduation status and post-secondary goals in the mail.

A Quick Guide to 4 Year College Application Process for Seniors

- Register for the SAT www.collegeboard.org or ACT www.actstudent.org no later than December.
- Plan on applying to 4 or more colleges based on your GPA, SAT/ACT scores and major of choice. A great website for college related research is www.californiacolleges.edu
- CSU application www.csumentor.edu October 1st - November 30th
- UC application www.univeristyofcalifornia.edu November 1st-November 30th
- For out of state colleges, check to see if your school is a part of the WICHE program to take advantage of “in state” tuition: www.wiche.edu
- Private Universities have their own entrance requirements and deadlines, so it’s important to have a calendar to track deadlines.
- Apply for **FAFSA** (Free Application for Federal Student Aid) www.fafsa.ed.gov October 1st- March 2nd.
- Submit Local Scholarship Application November 1st – January 31st- These are scholarship opportunities available only to seniors attending Heritage High School. The application can be found online <http://libertyunion.schoolwires.net/heritage> under “Student Information” click on “College and Career Center”.
- Find other scholarship opportunities- go to the College and Career Center at least twice a month to research additional scholarship opportunities. Many students register on Fastweb at www.fastweb.com to receive scholarship alerts.
- Start the “Brag Sheet” Process early that can be found under the Career section of the Heritage Website or ask your counselor. The more complete you are the better the letter of recommendations will be.

Don't hesitate to see your counselor for personal, academic or college and career related questions. We are here to support you and your goals!

SAFETY CORNER

Parents, please remind your student of the following:

► If your student plans on parking on campus, be reminded that they will need to complete a parking application immediately in SLC-C. Permits are FREE, but space is limited. Students are not permitted to park on campus without a permit.

► For the safety of all, please discuss with your student driver about the dangers of texting and driving.

► If you notice any health or safety concerns on campus, we would like to know. Please e-mail Assistant Principal Hugh Bursch at burschh@luhsd.net.

THANK YOU FOR HELPING US KEEP OUR STUDENTS AND STAFF SAFE!
