ASVAB has tests and activities that help students identify their interest and provide information about their Verbal, Math and Science and Technical skills. The test is also used by the US Military. However, test scores are not released unless written documentation is provided. FREE, register in the CCC.

Pre ACT multiple-choice tests in English, math, reading, and science. It helps predicts student performance on the ACT.

PSAT 10 will focus on the knowledge and skills that current research shows are most essential for college and career readiness an success. The tests will reflect the work students are doing in classrooms across the country and around the globe.

PSAT/NMSQT Focusing on the content students learn in the classroom, they will reflect strong instruction — in math, English language arts, science, history, and social studies — and relate directly to the skills research shows are essential for college and career. Is used by the National Merit Scholarship Corporation (must be a junior to qualify). \$18 register in the student store.
