### Students Who Are Unable to Take the PSAT/NMSQT

A student who does not take the PSAT/NMSQT on January 2021 because of illness, an emergency, or other extenuating circumstance (including school closures), but meets all other requirements for NMSC program participation, may still be able to enter the 2022 National Merit Scholarship Program by submitting scores from an administration of the SAT. The student must visit [www.nationalmerit.org/resources](http://www.nationalmerit.org/resources) after the missed PSAT/NMSQT administration to download information about procedures for Alternate Entry to the 2022 National Merit Scholarship Program. To be considered, a student must complete certain requirements **before April 1, 2021**.
