

Directions for completing Living Earth assignments for Week 1 (April 6- April 10)

There are a total of 5 different assignments. Complete one per day or as you see fit. You will 100% have to read things (maybe multiple times, which is okay!). Please, please, please, read carefully and put away distractions so you can absorb as much of this information as possible.

1. **Assignment #1:** Log on to Clever to access our online textbook (directions are on my website titled "HMH Science Student Login Instructions"). I have already assigned your account which pages you must read and complete (Unit 7, Explore 4). Once you log on, you should see what I have assigned. Don't forget you can have the book read to you, just click the read option on the top. Once you complete this, it will notify me.
  - a. After you have read the book pages, please this quiz)
