EDGENUITY LAB Courses Offered: Math, English, Social Science, Science, Health, Strategies for Academic Success (elective)

The curriculum offered in Summer School adheres to the school board-mandated Liberty Union High School District 9th-12th grade courses of study. We will be utilizing a blended learning opportunity in all courses in hopes to best serve students in need of credit recovery and grade improvement.

Summer Edgenuity (Summer Edge) Program, Features and Information:

- The courses use audio (headphones provided), video and text content and different types of assignments including writing assignments, projects and graded tasks to support different learning styles.
- Common Core Standards-aligned online video-based curriculum in a blended learning environment with teacher support in a **mandatory 3 hour a day class**.
- The program allows educators to customize the curriculum for their students, including modifying or accommodating the needs of students with IEP's and/or 504 Plans.
- Students access the curriculum via the internet through a computer in class (home, city library, etc.) or tablet and begin the program with an orientation and followed by lecture-style lessons.
- Student and parent must read, **sign and return the Academic Integrity Policy** with the application (backside of application)
- Showing mastery in the pre-test process will eliminate specific activities and the course will be automatically adjusted (less time needed to complete the course). * Exception: No pre-test process for Grade Improvement courses.
- Teachers motivate, guide and monitor student progress as the student moves through course requirements completing lessons, assessments, and interactive activities, including virtual labs in science. **A student typically works online for 30 hours (to complete a 5-credit course)**.
- While in class, students are required to work on lessons the entire period (a scheduled break will take place).
- *Student may complete the course before the session end date by passing the mandatory assignments and hours online during and after school hours; the more hours put in, the faster Summer School may be over. Once the teacher verifies that the student has completed a course, they are no longer required to attend class. **This will be communicated to both student and parent (do not assume).**
- Students must leave campus immediately following their scheduled class (no loitering) due to another group of students entering the classroom. If taking the shuttle, students **MUST** take the shuttle that correlates with their class schedule and cannot ride early or return late.
- Lack of significant progress, more than 6 hours of absences or inability to follow rules may result in the student being "inactivated" and **dropped from Summer School**.

With this model, **Motivation is the key!** Please do everything in your power to make sure your student works on Edgenuity while away from school.

Liberty Union High School District Academic Integrity Policy

Revised 1/24/20

I AM AWARE THAT:

- Teachers will support, guide and monitor my progress as I move independently through course requirements.
- I will be required to take notes for each lesson for quizzes and test. This can be via eNotes or a traditional notebook. If I don't take notes, I may be required to redo the direct instruction lecture.
- I will be given 3 attempts to pass each test with a 60% or higher. If I do not pass after 3 attempts, I will have to conference with the teacher to either earn another attempt or an alternative assessment.
- If there is a concern with possible cheating at any time, assessments will be in class only.
- If a cumulative exam (final) is assigned, it will be administered in class only.
- I must complete all required coursework by the target date. If not, I will need to conference with the teacher.

I AM COMMITTED TO:

- Turning off (disabling) and putting away my cell phone and/or unauthorized devices during class.
- Actively participating in the online education program.
- Logging on and working additional hours outside of my scheduled class/lab time and keeping up with my targeted completion percentage.
- Setting a goal for overall achievement of 70% or higher, and passing all tests with a 60% or higher.
- Communicating with the teacher regarding any challenges I have with the assignments or the program.
- Abiding by the district technology acceptable use requirements.

I PLEDGE THAT I WILL NOT:

- Plagiarize or cheat in Edgenuity, including allowing others to do my online work.
- Use websites that provide answers to assignments or assessments.
- Give unauthorized assistance on assessments, or allow others to give me assistance on assessments.
- Have additional sites (windows open) on the computer other than Edgenuity approved sites.
- Use or access any outside resources (including cell phone) during assessments.
- Post assessments, assignments, answers to assessment or assignments, or any other curricular materials on any media that can be seen by other students or other third parties.

My signature below confirms that I have read all expectations and agree to abide by the Academic Integrity Policy. Violations could result in a warning, loss of credit, suspension and/or dismissal from the program.
