How to Set-up the Canvas Parent App

Step 1: Obtain Pairing Code

Have your student log into Canvas to access and generate a pairing code. Separate codes must be created for each observer.

In Global Navigation, click the **Account** link **[1]**, then click the **Settings** link **[2]**.

Click the **Pair with Observer** button **[3]**.

Copy the unique six-digit alphanumeric **pairing code [4]**. Share this code with the observer who will link to your account. *Each observer will need a separate code. Codes expire after seven days or after one use.*

Step 2 - Download the Canvas Parent App
Android device

➤ You can download the Canvas Parent app from the Google Play store onto your Android device.

➤ If you need assistance downloading the app visit **How do I download the Canvas Parent app on my Android device?**

iOS device

➤ You can download the Canvas Parent app from the App Store onto your Apple device.

➤ If you need assistance downloading the app visit **How do I download the Canvas Student app on my iOS device?**

Click here if you don't have a mobile device

Open Google Play Store

Open your Android device and tap the **Play Store** icon.

Open Search

Search for apps & games

In the app menu, tap the **Search** field.

Search for App

LUHSD Canvas

LUHSD recently worked with Canvas, our learning management system, to allow parents to access/observe student accounts.

Incentive(s) for parents to access and use Canvas in LUHSD is to view assignment due dates and scores.

Although Aeries continues to be used by LUHSD, it is primarily our student information system and used for attendance and end of grading term marks.

Viewing:	Canvas	Aeries
day-to-day assignments and expectations	Yes	
day-to-day due dates	Yes	
day-to-day scores by assignment	Yes	
bi-weekly assignments and grades	Yes	
communication with teacher (via "inbox")	Yes	
end of grading term marks for student		Yes
