### NEW STUDENT REGISTRATION / ORIENTATION 2020-21 SCHOOL YEAR

**During full distance learning, we have adjusted our process as follows:**

1. **No Transfer Application Deadlines** – Because IHS works with a variable credit system and has the ability to issue quarter credits, we continue to encourage all applicants to consider applying at the end/beginning of each quarter/semester.
2. Online Transfer Requests – **Reviewed on a bi-monthly basis** (twice a month).
3. Status of Application – IHS will communicate with all families regarding the status of the application.
4. Approved Student – IHS will direct the family to contact the current school site Registrar and follow the transfer/drop process.
5. New Student Orientations (via Zoom) – **Scheduled on a monthly basis.** Attendance by parent/guardian and student is required. Students will remain enrolled at their current school site until processed through the IHS Registrar during the New Student Orientation.

\*Exceptions may apply depending on the individual situation.
