- 5.5.2 Overtime shall be distributed and assigned by seniority as equitably as possible and rotated by management among the qualified employees in the bargaining unit within each department, by classification beginning at the location where the overtime is necessary. For example, if an employee at the top of the overtime list elects to refuse the overtime assignment, it shall be offered to other employees in

descending order on the list until the assignment is made. Subsequent distribution of overtime assignment shall continue in descending order from the last employee accepting assignment until all employees on the list have been offered the overtime prior to assignments being offered again to the employee whose name appears at the top of the list. Unit members who take a sick or personal day during the week shall not be eligible for overtime during the week. Unit members must accept or decline an overtime assignment within 24 hours of being contacted regarding the overtime. Nothing shall preclude management/supervisors from assigning other work during overtime within classification so long as the work is encompassed within the employee's job description. Management will maintain and make available at a mutually agreeable location a list of employees who want to work overtime. Employees who otherwise would be placed on the list in their seniority rank order may choose to have their names withdrawn from the list at the start of each school year (July 1). Those employees indicating they are not interested in being on the overtime list at the start of the year may re-enter the list at any time by giving written notice to their immediate supervisor.

- 5.5.3 Overtime at stadiums/gymnasiums shall be offered by seniority between both classification (Gardener/Groundskeeper and Custodian/Minor Maintenance) on a rotating overtime list beginning at the location where the overtime is necessary. Overtime work duties may encompass some duties reflected in either job description.

5.7 Compensation for Overtime

- 5.7.1 Bargaining unit employees shall be compensated at the rate of one and one-half times their regular hourly rate of pay for all hours worked in excess of eight (8) hours per day or forty (40) hours per week. A bargaining unit employee may request, and his/her immediate supervisor may approve their request, to have compensatory time off in lieu of cash compensation for any overtime worked. Such compensatory time off shall be equivalent with the established rates at the time the overtime was earned. Designated District Office personnel and the immediate supervisor shall be responsible for keeping record of all compensatory time of an employee for the current fiscal year in which it was performed. If the employee does not utilize compensation time during the current fiscal year, the balance will be paid off in the first warrant of the new fiscal year. If the immediate supervisor refuses to approve use of compensatory time as requested by the employee, said employee shall be paid off by warrant within forty-five (45) workdays, except for unusual circumstances.

The District reserves the right to utilize non-bargaining unit employees to provide temporary service, as needed, during times of heavy workload when the timely

completion of a project is essential and cannot be accomplished by offering overtime to current unit members in the job classification. The District will offer the overtime to unit members in other job classifications who are able to perform the work before employing temporary, non-bargaining unit members.

5.7.2 Any classified member assigned by the District to attend meetings or activities may be given the option of taking comp time at the same rate as overtime for all time spent at any scheduled meeting over and above the normal working hours for said employee. Employee and District may mutually agree to adjust working hours for the purpose of having said employee attend the afore mentioned meetings/activities.

5.7.3 Unit members may not use Compensatory time after June 10 in order to allow the Central office to accurately calculate pay outs for the July pay warrant.

5.8.1 Call Back

5.8.1 When an employee is required, without advanced notice, to return to work after having left his/her regular duty station following the completion of a regular workday or workweek, the employee, shall be paid for a minimum of two (2) hours overtime without regard to the length of time worked.

The receiving of another Call Back during that initial 2-hour time frame will NOT credit an additional 2-hour overtime. Any additional overtime earned beyond the original 2-hour time frame will be credited in half-hour increments if the person must remain on the premises until the job is completed. A second Call Back will result in an additional 2-hour overtime allowance if the original 2-hour time frame has been exhausted and the employee is called again.

5.9 Minimum Call-In Time

5.9.1 Any bargaining unit employee called in to work on a day not scheduled to work shall receive not less than one (1) hour of pay at the appropriate rate, irrespective of the actual time less than that required to be worked.

5.10 Standby Time

5.10.1 All standby time considered as regular hours worked shall be compensated on a straight time or overtime basis as are other hours worked.

5.11 If a part-time employee is required to work at least thirty (30) minutes per day in excess of his/her usual hours for at least twenty (20) consecutive working days, his/her work day should be changed to reflect the additional time.

5.12 Temporary Increase in Hours

5.12.1 A temporary increase in hours is defined as additional work for part-time employees as directed by the supervisor that is less than twenty consecutive working days. A temporary increase in hours receives the regular rate of pay.

5.12.2 A temporary increase in hours shall be first offered to the incumbent in the position.

Should the incumbent decline the temporary increase or if there is no incumbent, the process for assigning the work shall be as indicated in 5.5.2.

5.13 Additional Hours

5.13.1 “Additional time” is defined as any additional hours above a regular shift not to exceed an eight (8) hour workday.

5.13.2 When additional time becomes available to extend the “permanent” hours of a part-time position, it shall be offered first to the employee in the position whose acceptance would accommodate the additional time, and that of his/her regular assignment. If the employee should decline the additional hours or if there is no employee, the process for assigning the work shall be as indicated in 5.6.2.

In the event that more than one employee in the classification where regular assignment can accommodate the additional time, and the employee(s) has made application for the added time, the assignment will be determined by competencies including the most recent evaluation, and seniority.

ARTICLE 18: TRANSFERS AND PROMOTIONS

18.1 Authority to Transfer

18.1.1 The District Superintendent shall have authority to transfer members of the bargaining unit. Such transfers shall be made in accordance with the employee's qualifications and the needs and best interest of the District. Transfer of employees from one position to another position not involving a change of salary may be made by the Superintendent at any time.

18.2 Definition

18.2.1 A transfer is defined as a change in site location or work shift, but within the same position classification.

18.2.1.1 A change in work shift under this article may be no more than 75 minutes and may occur once not more than twice in a given school year if required due to student or district need. A classified employee who is scheduled for a work shift transfer will be given at least 2 weeks' notice. Unless such transfer affects the whole classification at a given site, determination of which individual employee(s) is transferred will be consistent with Article 18.5.2.2.

18.2.1.2 An exception to 18.2.1.1 is permitted in the Maintenance and Operations department where two changes in work hours of up to 60 minutes can be made with the appropriate prior notice if the whole job classification is affected to reflect the change in seasons. This notice must come within one month of the actual day of the seasonal clock change for daylight savings time.

18.2.1.3 Maintenance and Operations department employees shall have the option to work day or their existing shift during non-instructional breaks upon ten (10) workday notice to and approval by their immediate supervisor. Requests for exceptions may be granted and must be made in writing to immediate supervisor as soon as possible.

18.2.2 A promotion is defined as a change from one classification to a higher classification or a change from a classification with fewer hours to a classification with greater hours.

18.3 Criteria for Transfer

18.3.1 The following criteria shall be used in consideration of transfer requests:

18.3.1.1 The needs and efficient operation of the District.

18.3.1.2 The contribution that the unit member can make in the new position.

18.3.1.3 The specific needs of each school and/or department as defined by the supervisor or administrator.

18.3.1.4 The qualifications of the employee, including personal qualifications, training experience and performance ratings.

18.3.1.5 The length of District service.

18.4 Posting of Vacancies

18.4.1 All vacancies shall be posted by the District for not less than five (5) working days at all school and department sites prior to being filled. All postings, except Transportation, shall include current hours of employment. If the vacancy is not filled, the vacancy will remain open and be reposted.

18.4.2 The CSEA Chapter President shall be notified prior to any interview for any bargaining unit position.

18.5 Types of Transfers

18.5.1 Employee Requested Transfer: A permanent member of the bargaining unit may request, in writing, a transfer from one position classification to another position classification or promotion as defined in 18.2.2. The written request shall be submitted to the District Office on the appropriate form within the five (5) day period. An employee must complete his/her initial probationary period prior to submitting application for Transfer.

18.5.1.1 For purposes of selection between two or more unit members requesting transfer to a vacant position, the District shall consider the training, experience, competencies, length of service in the school and in the District and past evaluations of each unit member.

18.5.1.2 When the District has considered two or more members requesting a transfer to a vacant position to be equal on the basis of training, experience, competence, and past evaluations, the unit member with the most District-wide seniority shall be selected for transfer to the vacant position.

18.5.1.3 If there is only one unit member who has filed for a lateral transfer to an open position in the same job classification at a different site, the lateral transfer request will be granted without the need to participate in a competitive job interview if that employee has:

- 1) had a satisfactory performance evaluation for the previous two (2) years.
- 2) received no formal disciplinary action during the previous two (2) years, and
- 3) has not been granted a lateral transfer within the previous two (2) years.

This does not prevent the supervisor of the open position from meeting with the unit member prior to finalizing the lateral transfer decision to ensure that the unit member understands the expectations and requirements of the position at the new work site.

If there is more than one (1) lateral transfer applicant who meets the three criteria identified above, the most senior person will be granted the transfer.

18.5.1.3.1 Any unit member who has been granted a lateral transfer

via the non-competitive process described in 18.5.1.3 will be subject to six (6) month trial period. The employee will receive a written evaluation after the first three (3) months in the new work site, and may be returned to the previous work site at the supervisor's discretion from that point until the last day of the trial period.

18.5.2 Administrative Transfers: An administrative transfer may be made by the administration in the best interest of the employee and the District. An employee may request a written statement regarding the reasons for the administrative transfer.

18.5.2.1 Administrative transfer will be initiated and executed at the discretion of the Superintendent. Any member of the bargaining unit who is involved in a transfer that is administratively initiated shall be informed of this action by the Superintendent or his designee in a conference as early as possible.

18.5.2.2 For purposes of selecting which unit member shall be administratively transferred in order to meet the needs of the District, the District shall consider the training, experience, competencies, length of service in the school and in the District and past evaluations of each unit member considered. All things being equal, the person with the least district-wide seniority within the classification will be transferred.

18.5.3. Promotions

18.5.3.1 The District may interview permanent bargaining unit members as well as those who have completed three months of probation and who apply for the position and meet the minimum qualifications.

18.5.3.2 The District shall consider the training, experience, competencies, length of service and any past evaluations.

18.5.3.3 A unit member who has not completed probation and is promoted to a new position through the interview process forfeits bumping rights to their prior position and begins a new six month probationary period in their new position.

18.5.3.3 All permanent bargaining unit members who apply for a position in which they meet the minimum qualifications shall receive an interview.

18.5.3.4 If a bargaining unit member is not selected for a promotional position after his/her interview, Human Resources shall, at the request of the member, provide feedback regarding the reasons that the member was not selected.

ARTICLE 19: GRIEVANCE PROCEDURE

19.1 Definitions

- 19.1.1 A "grievance" is a formal written allegation by a member of the bargaining unit who has been adversely affected by an alleged violation, misinterpretation, or misapplication of the specific provisions of this Agreement.
- 19.1.2 A "grievant" is any unit member adversely affected by an alleged violation, misinterpretation, or misapplication of the specific provisions of this Agreement, or is the Association if grieving Article 3, 4, 21, or 22 of this Agreement.

- 19.1.4 The "immediate supervisor" is the lowest level administrator or supervisor who has been designated to adjust grievances and who has immediate jurisdiction over the grievant.

19.2 Purpose

- 19.2.1 The purpose of this procedure is to secure, at the lowest possible administrative/supervisory level, equitable solutions to the problems which may, from time to time, arise affecting the welfare or working conditions of bargaining unit members. At any time during the grievance process, the grievance can be remedied by making the affected party(ies) whole. Both parties agree that these proceedings shall be kept informal and confidential as may be appropriate at any level of the procedure.
- 19.2.2 Until final disposition of a grievance, the grievant shall comply with the directions of the grievant's immediate supervisor.
- 19.2.3 All documents dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
- 19.2.4 No party to a grievance shall take any reprisals against the other party to the grievance because the party participated in an orderly manner in the grievance procedure.
- 19.2.5 Failure of the grievant to adhere to the time deadlines shall mean that the grievance is settled. The grievant and the District may extend any time deadline by mutual agreement.
- 19.2.6 Every effort will be made to schedule meetings for the processing of grievances at times which will not interfere with the regular work day of the participants. If any grievance meeting or hearing must be scheduled during the school day, any employee required by either party to participate as a witness or grievant in such meeting or hearing shall be released from regular duties without loss of pay.
- 19.2.7 Either party to the grievance may be represented at any step of the grievance procedure by an individual of the party's choice.
- 19.2.8 Any unit member may at any time present grievances to the District and have such

grievances adjusted without the intervention of the Association, as long as the adjustment is reached prior to arbitration and the adjustment is not inconsistent with the terms of this Agreement; provided that the District shall not agree to a resolution of the grievance until the Association has received a copy of the grievance and the proposed resolution and has been given the opportunity to file a response. Upon request of the grievant, the grievant may be represented at any stage of the grievance procedure by a representative of the Association.

- 19.2.9 The District and the Association may agree to consolidate grievances at Level III and beyond.

19.3 Procedure

Grievances will be processed in accordance with the following procedures:

19.3.1 Level I - Informal Resolution

- 19.3.1.1 Any unit member who believes he/she has a grievance shall present the grievance orally to the immediate supervisor within fifteen (15) days after the grievant knew, or reasonably should know, of the circumstances which form the basis for the grievance. Failure to do so will render the grievance null and void. The administrator/supervisor shall hold discussions and attempt to resolve the matter within ten (10) days after the presentation of the grievance. It is the intent of this informal meeting that at least one personal conference be held between the aggrieved employee and the immediate supervisor.

19.3.2 Level II - Formal Written Grievance

- 19.3.2.1 If the grievance is not settled during the informal conference and the grievant wishes to press the matter, the grievant shall present the grievance in writing on the appropriate form to the immediate supervisor within ten (10) days after the oral decision by the immediate supervisor. The written information shall include: (a) A description of the specific grounds of the grievance, including names, dates, and places necessary for a complete understanding of the grievance; (b) A listing of the provisions of this agreement which are alleged to have been violated, misinterpreted, or misapplied; (c) A listing of the reasons why the problem is unacceptable; and (d) A listing of specific actions requested of the District which will remedy the grievance.
- 19.3.2.2 The immediate supervisor shall communicate the decision to the grievant in writing within ten (10) days after receiving the grievance. If the immediate supervisor does not respond within the time limits, the grievant may appeal to the next level.
- 19.3.2.3 Within the above time limits either party may request a personal conference.

19.3.3 Level III - Appeal to Superintendent

- 19.3.3.1 If the grievant is not satisfied with the decision at Level II, the grievant may within ten (10) days of the receipt of the decision at Level II appeal the decision on the appropriate form to the Superintendent. This statement shall include a copy of the original grievance and appeal, and a clear, concise statement of the reasons for the appeal.
- 19.3.3.2 The Superintendent shall communicate the decision to the grievant within ten (10) days. If the Superintendent does not respond within the time limits provided, the grievant may appeal to the next level.
- 19.3.3.3 Within the above time limits either party may request a personal conference.

- 19.3.4.1 If the grievant is not satisfied with the decision at Level III, the grievant may within ten (10) days of the receipt of the decision submit a request in writing to the Association for advisory arbitration of the dispute. Within twenty (20) days of the grievant's receipt of the decision at Level III, the Association shall inform the District of its intent as to whether or not the grievance will be arbitrated. The Association and the District shall attempt to agree upon an arbitrator. If no agreement can be reached, they shall request that the State Conciliation Service supply a panel of five names of persons experienced in hearing grievances in public schools. Each party shall alternately strike a name until only one name remains. The remaining panel member shall be the arbitrator. The order of the striking shall be determined by lot.
- 19.3.4.2 If either the District or the Association so requests, a separate arbitrator shall be selected to hear the merits of any issue raised regarding the arbitrability of a grievance. No hearing on the merits of the grievance will be conducted until the issue of arbitrability has been decided. The process to be used in selecting an arbitrator shall be as set forth in 19.3.4.1.
- 19.3.4.3 The arbitrator shall, as soon as possible, hear evidence and render a decision on the issue or issues submitted to him/her. If the parties cannot agree upon a submission agreement, the arbitrator shall determine the issues by referring to the written grievance and the answers thereto at each step.
- 19.3.4.4 The District and the Association agree that the jurisdiction and authority of the arbitrator so selected and the opinions the arbitrator expresses will be confined exclusively to the interpretation of the express provision or provisions of this Agreement at issue between the parties. The arbitrator shall have no authority to add to, subtract from, alter, amend, or modify any provisions of this Agreement or impose any limitations or obligations not specifically provided for under the terms of this Agreement. The arbitrator shall be without power or

authority to make any decision that requires the District or the administration to do an act prohibited by law.

- 19.3.4.5 After a hearing and after both parties have had an opportunity to make written arguments, the arbitrator shall submit in writing to all parties his/her findings and award. The award of the arbitrator shall be a final and binding determination.
- 19.3.4.6 The fees and expenses of the arbitrator shall be shared equally by the District and the Association. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expense of witnesses called by the other. Either party may request a certified court reporter to record the entire arbitration hearing. The cost of the services of such court reporter shall be paid by the party requesting the reporter or shared by the parties if they both mutually agree. If the arbitrator requests a court reporter, then the costs shall be shared by both parties.

- 20.1 Unit members shall cooperate with management in maintaining good safety practices in all facilities.
- 20.2 Unit members will report in writing on the work order form, except in emergencies, to their immediate supervisor, any condition which poses a threat to the safety of any person associated with the District.
- 20.3 Within ten (10) days of the report by the unit member, the District shall provide the unit member with a copy of the work order indicating whether or not the work was approved or denied.
- 20.4 The District will investigate such reports and take appropriate actions to correct these conditions found to be unsafe or unhealthy. Requirements established by State law, Cal/OSHA and the county health department shall prevail.
- 20.5 The District will offer training for all CSEA classifications as determined appropriate by the district. Requests for additional training will be discussed and considered in Issues and Concerns Meetings. Employees required to attend any mandatory training outside of the regular work day will receive reasonable advanced notice and be compensated.
- 20.6 The District will ensure that all employees receive a job site orientation packet when arriving at a new work location.
- 20.7 The District will provide applicable unit members any Personal Protective Equipment (PPE) as required for school employees by any Local or State Health Department order, regulation or law.

An employee who is placed in lay-off status as result of statutorily allowed contracting out duties formerly within the employee's assignment shall be granted one month of District funded Health and Welfare premiums for every year of employment provided by the affected employee when the employee has served a minimum of seven (7) years in District employment. It is incumbent of the employee to request said benefit, and the employee must attest that he/she doesn't have the

medical benefits provided by any other source, or has declined the provision of said benefits in exchange for other financial considerations. District funding shall not exceed three-thousand (\$3,000) dollars.

ARTICLE 28: SUBSTITUTE/WORKLOAD COMMITTEE/TEMPORARY

28.1 Substitute Provision:

After a custodial/maintenance, cafeteria or clerical worker has been absent for three (3) consecutive work days during the school term, the District agrees to hire a substitute for that individual provided a qualified one is available and the finances of the District permit. This does not prevent the District from providing substitutes during the first three days of absence. If no substitute is provided, every attempt will be made to establish a workload for remaining employees which is not unreasonable.

28.2 Workload Committee

A committee comprising two district employees and two bargaining unit members shall be formed to review the workload and work distribution imposed on members of the bargaining unit. The committee shall recommend changes in hours and/or practices and said recommendations shall go to the Board.

- 29.1.1 The District shall not initiate any disciplinary action for any cause alleged to have arisen prior to the employee becoming permanent nor for any cause alleged to have arisen more than two (2) years preceding the date that the District files the notice of disciplinary action unless such cause was concealed or not disclosed by such employee when it could be reasonably assumed that the employee should have disclosed the facts to the District.
- 29.1.2 The penalty proposed shall not be implemented until the employee has exhausted his/her rights under this Article.
- 29.1.3 An employee may be suspended from duties without loss of pay.
- 29.1.4 An employee may be suspended immediately if charged with the commission of a sex or narcotic offense as defined in Section 45304 of the Education Code. However, if the employee is found guilty or pleads guilty or nolo contendere to a sex or narcotics offense, he/she shall be obligated to repay the District for the salary paid to him/her during the period of his/her suspension.
- 29.1.5 District vehicles may not be used for personal reasons unless authorized by the immediate supervisor. Unauthorized use of a District vehicle will result in disciplinary action which may include dismissal.
- 29.2 Procedures of the District
- 29.2.1 Actions to Dismiss, Suspend or Demote: In any action to dismiss, suspend, or demote a permanent classified employee, the superintendent or his/her designee shall meet with the employee and present him/her with a Notice of Proposed Disciplinary Action which shall include the following:
- 29.2.1.1 The disciplinary action proposed.
- 29.2.1.2 A statement of the reason(s) for the proposed disciplinary action.
- 29.2.1.3 A copy of the specific charges and material on which the proposed action is based.
- 29.2.1.4 If it is claimed that an employee has violated a regulation of the Governing Board, a copy of such regulation.

- 29.2.2 At said meeting the employee shall be given the right to respond to the charges,

reasons and proposed disciplinary action, and shall have the right to be represented. At the time the employee is advised of the meeting, he/she shall be advised of the nature of the meeting, and the meeting shall be scheduled at a time that enables the employee's representative to be present within 72 hours of the time the employee is notified of the meeting.

29.2.3 The employee may request a hearing on the charges contained in the Notice of Proposed Disciplinary Action by mailing or delivering the form supplied for that purpose on or before the seventh (7th) day after receipt thereof.

29.2.4 In the absence of a request for a hearing, the Governing Board shall act upon the Notice of Proposed Disciplinary action after the time for the request for a hearing has expired.

29.3 Other Disciplinary Actions

29.3.1 In disciplinary actions other than oral warnings and written reprimands, the District shall give notice of such discipline in writing to the employee before placing documentation in his/her personnel file. The employee shall have the right to appeal the disciplinary action to the superintendent within five (5) working days of its receipt. If the employee is dissatisfied with the superintendent's response, he/she may request a hearing pursuant to section 29.5 within five (5) days after receipt of the superintendent's response.

29.4 In handling disciplinary matters, it is intended that progressive steps be utilized unless the incident giving rise to the discipline is of such a nature that more severe action is appropriate. The discipline shall be commensurate with the offense and the employee's past record. Progressive steps may be as follows:

29.4.1 Verbal reprimand.

29.4.2 Written warning, with a copy to the employee's personnel file. Such warning shall state the reasons underlying any intention the supervisor may have for recommending disciplinary action.

29.4.3 Suspension without loss of pay.

29.4.4 Suspension with loss of pay after Board action.

29.4.5 Dismissal.

29.5 Classified Employee Disciplinary Hearing Procedure: The procedure set forth below will govern the conduct of the hearing which will be granted at the request of a permanent classified employee who has received a Notice of Proposed Disciplinary Action as set forth in 29.2.1 or written notice of discipline as set forth in 29.3.1 above. Where this procedure is silent, or good cause is shown, the person(s) conducting the hearing may apply other rules of adjudication. The hearing shall be before the Governing Board or, at the Board's discretion, before a Hearing Officer.

29.5.1 Upon receipt of request for hearing, the District shall hold a hearing within thirty (30) days, which time may be extended by mutual agreement.

- 29.5.2 The hearing shall be a closed hearing unless the employee makes a written request for a public hearing at least three (3) days prior to the hearing date.
- 29.5.3 The employee and the District may require the presence of such persons and the production of such documents not otherwise privileged, at the hearing, as are subject to the District's control, subject to the superintendent's orders in case of dispute. Employees called as witnesses during their regular work period will be provided release time without loss of pay.
- 29.5.4 The employee and the District may be represented, may call witnesses, may introduce evidence, may testify, and may question adverse witnesses.
- 29.5.5 Technical rules of evidence shall not apply. Relevant noncumulative evidence may be admitted if it is the kind of evidence upon which reasonable persons are accustomed to rely in the conduct of serious affairs.
- 29.5.6 The burden of proof will be on the charging party.
- 29.5.7 The hearing will be recorded by the District

The Governing Board shall consider the recommendation at a meeting held within thirty (30) days of the receipt of the decision, and shall issue the decision within ten (10) days thereafter.
- 29.5.10 If the matter is heard by the Board, it shall issue a decision within ten (10) days of the close of the hearing, and notify the Employee, the Association and the District of the decision.
- 29.5.11 The decision of the Board and its determination of the sufficiency of the cause shall be final and binding.

An employee offered such a settlement shall be granted reasonable opportunity to have his/her CSEA Representative review the proposed settlement before approving the settlement in writing.
- 29.6 Notwithstanding the above procedure the District may release a probationary employee for failure to satisfactorily complete probation, except that an employee who has attained permanence in another classification shall, if he/she is to be released from probation for other than disciplinary reasons, be automatically returned to the previously held classification.

29.7 Drug and Alcohol Testing

- 29.7.1 Employment Rights: The employer shall not question a driver/operator concerning the use of alcohol or controlled substances (drugs) without first informing the driver of the right to have a union representative present throughout the questioning. If the driver/operator then requests union representation, no such questioning shall occur in the absence of the union representative. This does not prevent the employer from requiring an employee to go to a collection site to take an appropriate test. The employer shall not use any information obtained in violation of this paragraph in any action against the driver/operator.
- 29.7.2 Leaves: If a substance abuse professional determines that a rehabilitation program is needed, employees may utilize paid sick leave or compensatory time for a maximum of ten days of a required thirty day treatment program. This leave is available only one time per employee for a first confirmed positive test.
- 29.7.3 Drug and Alcohol Testing: All employees who drive district vehicles or equipment will be subject to random drug testing. Drug testing will also occur within 12 hours when an employee is in an accident while driving or operating a district vehicle or equipment. - a. Refuse to submit to a test or submit test results to the personnel office
 - b. Test positive during the initial probation period
 - c. Fail to complete a first time rehabilitation program recommended by the substance abuse professional; or if none is recommended a return to duty test; or
 - d. Test positive again for alcohol or again for controlled substances within sixty (60) months after return to duty following completion of rehabilitation
 - e. Test positive under post accident testing
 - f. Test positive on reasonable suspicion testing

First time offenders resulting from random testing shall be placed on three (3) day unpaid suspension.

Employees who test positive under the provisions above will be relieved of duty under the conditions set forth in this Section. During such time, the employee will not receive his/her normal compensation until the employee is approved to return to duty by Human Resources unless the employee opts to apply such leave or compensatory time for up to ten (10) days to cover the necessary period of absence. A confirmed positive test is defined as an alcohol concentration equal to or greater than 0.04 and/or a verified positive controlled substance result.

Permanent employees who voluntarily come forward and request assistance for a drug or alcohol related problem will not be disciplined per this section. They may utilize this option one time only.

Provisions of 29.1 do not apply to discipline for positive test results for drug or alcohol use.

ARTICLE 30: PERFORMANCE EVALUATION PROCESS

30.1 Purpose - The Classified Performance Evaluation Process primary focus is to maximize the personal development of all Liberty Union High School District employees whereby employees develop to their fullest potential and gain a clear understanding of their responsibilities/expectations as related to their job category. The Classified Performance Evaluation Process shall have the following tenets:

- ☐ To assist employees with their development as a successful member of the district's classified staff;
- ☐ To objectively assess the performance of employees, consistent with the employee's job description and evaluative criteria;
- ☐ To recognize and commend outstanding performance by classified employees;
- ☐ To notify employees of unsatisfactory performance;
- ☐ To provide a systematic approach for employees to correct performance deficiencies.

30.2 Procedures

30.2.1 Probationary employees:

Every new, regular classified employee shall receive a written evaluation by the end of the first 50 days of employment. They shall receive a second written evaluation by the end of the first 100 days of employment.

Probation Period

The probation period will consist of one hundred and thirty days (130) of employment in paid service. Paid service refers to the employee's work year calendar. Upon completion of probation, the evaluation process and goals will be set to follow the regular evaluation cycle. If the probation period ends after December 1, the new evaluation cycle will begin in the next fiscal year. In specific cases, the probationary period may be extended up to an additional six months with a written explanation of the supervisor and consent from the unit member.

Permanent employees:

Permanent employees who have accepted a new position (in a new classification) will enter into a six month "trial period." By the end of the first three (3) months of the trial period, the employee will receive a written evaluation. Upon successful completion of the trial period, the evaluation process and goals will be set to follow the regular evaluation cycle. If the probation period ends after December 1, the new evaluation cycle will begin in the next fiscal year. If the permanent employee does not successfully complete the trial period, the employee will return to the previous position in which permanent status was earned.

30.2.2 On an annual basis, by the end of August, each classified employee will meet with the supervisor to discuss the evaluation process.

30.2.2.1 Employees who received unsatisfactory or needs improvement ratings on the previous year's final evaluation will be required to identify a minimum of one goal as the major goal for the year. The goal(s) will be selected from the evaluative criteria listed on the Evaluative Report and will address an area where a deficiency was reported. The goal(s) will be mutually agreed to by the employee and the evaluator.

Upon request from the employee, the District will make every effort to provide appropriate training or workshops in order to promote the employee's progress towards his/her goal without loss of compensation or expense to the employee.

30.2.2.2 Employees who received satisfactory ratings on the previous year's final evaluation will mutually identify areas of potential professional growth and any changes or unique activities for the year that might affect the employees work.

30.2.3 Permanent classified employees shall receive a written evaluation annually within an evaluation cycle from July 1st to June 30th. At the annual evaluation conference, Performance Standards performance will be reviewed and included in the evaluation.

30.2.4 Every regular classified employee, whether permanent or probationary, may be evaluated more frequently, prior to the final evaluation, when there is reasonable cause. For the purposes of this Article, reasonable cause is defined to mean both positive commendations and needs for improvement/unsatisfactory performance. A conference shall be held, and the employee shall be notified as to the purpose of the conference.

30.2.5 The classified employee shall receive the final copy of the evaluation(s) and be allowed to attach a written statement to the evaluation. The employee's signature on the evaluation report denotes the employee's receipt and awareness of the contents of the evaluation; it does not necessarily mean the employee agrees with the evaluation. Should an employee refuse to sign the evaluation report, the evaluator will note the fact on all copies of the report. The employee has ten (10) working days from the date the final evaluation is received by the employee to submit a written response.

30.2.6 The evaluator shall set an evaluation conference during the employee's normal work day with at least a two work-days advance notice. (Bus drivers' evaluations will be scheduled at the end of their normal routes and time compensated at their regular rate of pay.) A draft evaluation report will be used during the evaluation conference. By the conclusion of the conference, the final performance ratings and summary should be completed and discussed with the employee. The Final Evaluation Report should be signed in pen/ink and submitted to the Personnel Office prior to the deadline specified in these procedures. Upon completion of the Final Evaluation Report, the employee shall receive a copy. In the event the evaluation is not completed in a timely manner, by June 30th, the rating will be considered satisfactory.

30.2.7 Classified employees rated as needs improvement or unsatisfactory will be given written reasons for such evaluation ratings. Any performance area which would

receive a needs improvement or unsatisfactory rating should have been brought to the attention of the employee prior to the final evaluation conference. An employee's improvement plan will be mutually developed, by the evaluator and the employee, to assist any employee receiving a needs improvement or unsatisfactory rating in any category. The plan will be written and include specific activities/tasks which the employee needs to accomplish to improve the unsatisfactory rating. An overall performance rating of unsatisfactory shall be brought to the attention of the employee prior to the final evaluation.

30.3 Definitions

30.3.1 Exceeds standards - is actual performance beyond that required for the position. It should be used for the employee who is exceptional, definitely superior or extraordinary.

30.3.4 Unsatisfactory - performance is definitely below the standards required for the position. It is inadequate or undesirable performance. Evaluation at this level, along with evaluation at the needs improvement level, must include specific recommendations for improvements and provisions for assisting the employee to achieve performance standards.

30.4 Complaints made by parents or guardians of students or members of the public shall not be utilized in an employee's evaluation unless the complaint has been processed through the district's review procedure and been substantiated. It is not mandatory that a substantiated complaint be utilized in the employee's evaluation.

30.5 Personnel Files

30.5.1 Contents and Inspection: Materials in personnel files of employees which may serve as a basis for affecting the status of their employment are to be made available for the inspection of the person involved in the presence of a district representative.

Such material to be made available is not to include ratings, reports or records which were obtained prior to the employment of the person involved, were prepared by identifiable examination committee members or were obtained in connection with a promotional examination.

30.5.2 Any item placed in the file shall be clearly identifiable as to its source or originator and its date of receipt.

30.5.3 Information of derogatory nature, except material mentioned in the second paragraph of this section, shall not be entered or filed unless and until the employee

is given notice and an opportunity to review and comment thereon. Such review shall take place during normal business hours.

- 30.5.4 Information will not be released to any government agency unless requested or demanded in writing. A copy of all information released to any government agency will be forwarded to employee.
