**16<sup>th</sup> Annual  
Freedom  
Athletics Golf  
Tournament.**  
The Freedom

Athletics Golf Tournament is designed to help raise money for our general athletics account.

The general athletics account is used to support all sports at Freedom High School. It is our desire to give all of our student athletes as much assistance as possible in being the best athlete he or she can be. Without funds, it is difficult for our athletics program to keep our equipment up to date or maintained in the best possible condition, to transport our students to events, or enter events outside our league including individual or team entries to NCS (North Coast Sectionals) and beyond.

Studies show that students involved in at least one sport averaged a higher cumulative GPA than students who did not play in a sport.

Please contribute to our Freedom Athletics Golf Tournament and their desire to be the best student athletes they can be.

*Welcome to the Freedom Athletics  
Golf Tournament Fundraiser!*

Freedom Athletics works to support and extend the school mission of educating all students by instilling character education in our athletic program. When students experience high quality extracurricular athletic programs that build character attributes students have a much higher likelihood of achieving success. Freedom accomplishes this by promoting and teaching the six pillars of character including Trustworthiness, Respect, Responsibility, Fairness, Caring and Citizenship.

Your support is invaluable to the continued success of our student athletes. Studies show that students involved in athletics are more likely to have a higher GPA and sense of confidence that will help them achieve their high school goals and set future goals for their post high school careers.

We hope to see you this June in our annual tournament so all of our athletes can be the best they can be.

*Dr. Steve Amaro, CMAA  
Athletic Director*
