## Frequently Asked Questions:

### When will the registration window be open?

- The Exam registration window is August 21 - October 30, 2020 for the May 2021 exams.
- Students in courses COMMENCING in the Spring semester will not be able to complete the process until the course commences and will have penalty fee registration until March 1, 2021.

### Why do I need to do a deposit in the fall?

- The ordering deadline for exams is in the fall, but we recognizes that not all families will be able to submit the full cost of fees in October. By submitting a deposit you have a secure exam, and then you and your family have time to plan to submit balance of fees due.

ALL Students should complete this step, even if they are not intending to take the exam, so that they can access the free course resources.
