- AERIES PARENT PORTAL ACCOUNT:** Your AERIES parent portal account must be active to access forms and update personal information. If you already have a parent account, starting on June 26th you can begin the data confirmation process for Walk-Thru (see number 2). If you do NOT have an Aeries Parent Portal Account, an email will arrive in the first week of July from "DoNotReply@aeries.com" with instructions to create your account.
- DATA CONFIRMATION:** Data confirmation allows parents/guardians to update personal information, medical history, emergency contacts, and sign all school authorizations and documents electronically. Data confirmation is **required** to complete the registration process for ALL students and **must be completed BEFORE** attending Walk-Thru. Please login to your Aeries parent portal account to complete data confirmation.
 - ✓ Any device with internet access can be used to complete data confirmation.
 - ✓ A tutorial of the steps to complete data confirmation can be found on our website by clicking on the "Walk Thru Information" link under "Headlines" on the Home page.
- PARENT OR GUARDIAN:** A parent or guardian must be present with student(s) to attend walk-thru.
- WEBSTORE:** This year all of the purchases for Walk-Thru will be available online. Purchases may be made via the Webstore on our website or at Walk Thru.
- 9th GRADE STUDENTS and NEW ENROLLEES ONLY:** Proof of residency is required for all incoming 9th grade students and new enrolling students, even if there is an older sibling at Liberty. Review the back of this document for examples of proof of residence. If you have not already provided residency verification documents, please plan on attending one of our Residency Verification dates listed below in our new administrative building located on 2nd Street. If you have already turned these documents in, please do not resubmit them.
- STUDENT PHOTOS:** Student ID and yearbook photos will be taken at Walk-Thru. School dress code applies and students out of compliance will not be able to take their ID card/yearbook photos. Students will receive their ID card at Walk Thru.
- STUDENT SCHEDULES:** After completing data confirmation, residency verification (9th graders and new enrolling students ONLY), and taking a photo, students will receive their 2023-2024 school schedule. Textbooks will be available for some classes.

All information about Walk-Thru can also be found online at our website www.luhdsd.net/liberty

Liberty Administration

DISTRICT RESIDENCY REQUIREMENTS

To ensure each school attendance area serves its area residents, the District needs a verification of each student's home address. The District may deem it necessary to further verify a child's legal residence with a home visit by school officials. If a child is determined not to reside at the address claimed, parents will be required to register the child immediately at the school/district that corresponds with the actual address of the child. If you are uncertain which schools attendance boundaries you reside in please use the find my school link

The Liberty Union High School District requires three forms of documentation to verify residency within the school district. This also includes address changes, since new addresses must be verified as being within district attendance boundaries.

To verify proof of residence, the following must be provided from each column:

<i>Picture ID (One required)</i>	<i>TWO of the following ORIGINAL DOCUMENTS with parent/guardian's name and CURRENT address</i>
Current California State Driver's License	Valid vehicle registration with current address
Current California ID Card	Property Tax Bill with parent/guardian's name and property address indicating home owner's exemption
Valid Passport or Consulate-Issued Picture ID	Rental/Lease Agreement with parent/guardian's name, student's name, and address, as well as manager or owner's name and phone number
Voting Card	Payroll stubs/checks, utility bills, water and PG&E
Military ID	State or Federal Tax Return (computerized or copy of original) filed within the past 12 months with W-2 forms attached. Business returns do not meet residency requirements
Other Picture ID	Other forms of communication from a government agency
	For new homeowners, close of escrow documents may be provided as evidence of residency. However, within 30 calendar days of registration with the district, two (2) of the documents listed above must be provided for continued enrollment.

For unusual residency situations, District and site staff are prepared to review documents and answer all questions that may arise during the residency verification process. Please contact our registrar at [925-634-3521](tel:925-634-3521) ext.5204 for more assistance.
