# What Happens Next?...

GOAL - complete Academic Plan for Grades 10-12, which includes 8 classes per year

This was an activity to get you thinking about your future and connecting you to the options available on campus. This tool is for planning purposes only.

The plan will remain open for EDITING through December 8th.

COURSE REGISTRATION IN JANUARY: Your results will carry over into our Course Registration process in January. You can 'fine tune' any necessary updates for your 10th grade classes at that time.
