January 11, 2019

Dear Parent/Guardian,

It's time to start thinking about our course registration process for the 2019-20 school year.

Counselors will be holding Course Registration presentations for our students in the PAC as follows:

January 22<sup>nd</sup>: Junior class

January 23<sup>rd</sup>: Freshmen class

January 24<sup>th</sup>: Sophomore class

During our presentations, Counselors will review information regarding graduation requirements, college entrance requirements and academy offerings. We will also show students how to fill out the course request form. After your child's presentation, we encourage that you spend time as a family reviewing our course catalog, available online, and select the most appropriate electives that help support your child's educational goals and interests. The online 2019-2020 course catalog can be found on our Liberty High School home page: <http://libertyunion.schoolwires.net/liberty>.

In preparation for course registration, we will be hosting an "Elective Rush" in our Gym on Thursday, January 17<sup>th</sup> during lunch. This event will give students the opportunity to learn more about our elective offerings and be able to interact directly with teachers offering the course.

**Please note that your child is required to return his/her course request form with a parent signature by February 1<sup>st</sup>.** There may be a delay in scheduling your child in classes if his/her course selection form is not turned in on time or is incomplete.

We invite you to attend one of our student presentations should you wish to listen to the information that's being provided to your child.

Sincerely,  
Liberty High School Counseling Department
