Create		Assignments				Data a	& Reports

Click on the title of the assignment to open it. Read the text, and complete all tasks **EXCEPT for**:

As you work, your progress will automatically be saved for teacher review. If you want to go back and continue or redo an assignment prior to the due date, you can click on the desired assignment title.

When you are completely done with an assignment and are ready to submit your work, click on "**Done**" next to the assignment title on the Assignments page.

Assignments will start on Monday of each week, and will be due the following Sunday.
