Subject: Important Info for Seniors

Hello Senior Families,

I hope this email finds you and your families healthy and safe. I have been working with the administration and site leadership to create an end of the year that is special for our seniors. I know there are still a lot of uncertainties and restrictions but I want to assure you we will do all we can to make our senior class feel special during these unique times. You may have heard that the LUHSD Board of Education has begun talks about graduation and what that may look like and we are paying close attention to the state mandates in hopes of holding a live graduation for our students. As information becomes available I will keep you updated. We will add a senior class button to the school's website and post our communication there as well as any updates. In the meantime, we would like to move forward and prepare for virtual celebrations including Letter of Intent, Awards Night and Scholarship Night, dates TBD. We ask that you, along with your senior, complete the Google Form to provide us information about on-site activities and post-graduation plans by 3:00, Tuesday, April 28. <https://forms.gle/bzbE7dFrk7xsJqgA8>

Additionally, we know that many of our families want to begin the process of taking cap/gown photos and sending out announcements. We are working closely with Jostens and have planned a drive-thru cap/gown/grad products pick-up for Thursday, April 30, 2020 from 9:00-12:00. Please see the important information below from Jostens (see next page).

The Freedom staff, students and families have been amazing during this transition to distance learning and I appreciate all that you as parents have done to support us in this process. Please be assured that we will do everything we can to help our seniors celebrate all of their hard work and dedication for the past 13 years of their education. If you have any questions please do not hesitate to contact me or a site administrator.

Respectfully,

Kelly Manke
