The curriculum offered in all Summer School programs adheres to the school board-mandated LUHSD 9 -12th grade courses of study.

EDGENUITY LAB Courses Offered – Math, English, Social Science, Science, Health

Summer Edgenuity (Summer Edge) Program, Features and Information:

- Common Core Standards-aligned online video-based curriculum in a blended learning environment (school and home). **In-person attendance is mandatory** and students are required to **actively participate and produce a <u>minimum of 10% daily progress</u>. This includes additional online work produced while at home.**

- The program allows educators to customize the curriculum for their students, including modifying or accommodating the needs of students with IEP's and/or 504 Plans.

- Teachers motivate, guide, support and monitor student progress as the student moves through course requirements completing lessons, assessments, and interactive activities, including virtual labs in science. **In order to complete a credit recovery course (previously failed 5 credit course), a student typically works online for 30 hours.**

- Showing mastery in the pre-test process will eliminate specific activities and the course will be automatically adjusted (less time needed to complete the course). *Exception: No pre-test process for Grade Improvement courses.

- <u>Student may complete the course before the session end date by meeting the required course criteria (see teacher)</u>. **The faster progress is made, the quicker the course may be completed.** Course completion will be communicated to both the student and parent (do not assume).

- Students will access the curriculum via Clever.com / Edgenuity and **NOT** Canvas. The course begins with an orientation and is followed by video-based instruction. Summer School will provide **in-person** computers/laptops (not take home). If your student has a district loaned laptop from his/her home site, he/she may choose to bring that device instead.

- Each course uses video and text content and various types of assignments including writing assignments, projects and graded tasks to support different learning styles.

- Each course also uses audio, in which we will provide **in-person** headphones that must be returned daily. Your student may elect to bring their own, but they must be compatible 3.5mm AUX audio cables pictured here.

- While in class, students are required to work on lessons the entire period (a scheduled in-class break will take place).

- All students must leave campus immediately following their scheduled class (no loitering). If a school bus is available, students MUST take the bus that correlates with their class schedule and may not ride early or return late.

- Lack of significant progress, more than 6 hours of absences, or the inability to follow rules may result in the dismissal from Summer School and the inactivation of the Edgenuity course.

- Student and parent must read, **sign and return the Academic Integrity Policy** with the application (Page 4 - backside of the application)

With this model, motivation is the key! **Please do everything in your power to make sure your student physically attends school and continues to meet the daily progress goal of at least 10%.**

LUHSD ACADEMIC INTERGRITY POLICY (AIP)

I AM AWARE THAT:

- Teachers will support, guide and monitor my progress as I move independently through course requirements.
- I will be required to take notes for each lesson for quizzes and test. This can be via eNotes or a traditional notebook. If I do not take notes, I may be required to redo the direct instruction lecture.
- I will be given 3 attempts to pass each test with a 60% or higher. If I do not pass after 3 attempts, I will have to conference with the teacher to either earn another attempt or an alternative assessment.
- If there is a concern with possible cheating at any time, assessments may be administered in-person only.
- If a cumulative exam (final) is assigned, it may be administered in-person only.
- I must complete all required coursework by the target date. If not, I may earn a no mark (NM) in the course.

I AM COMMITTED TO:

- Turning off (disabling) and putting away my cell phone and/or unauthorized devices during class time.
- **Actively participating and producing a <u>minimum of 10% daily progress</u>.**
- Logging on and working additional hours outside of my scheduled class/lab time and keeping up with my targeted completion percentage.
- Setting a goal for overall achievement of 70% or higher, and passing all quizzes/tests with a 60% or higher (70% or higher for grade improvement courses).
- Communicating with the teacher regarding any challenges I have with the assignments or the program.
- Abiding by the district technology acceptable use requirements.

I PLEDGE THAT I WILL <u>NOT</u>:

- Plagiarize or cheat in Edgenuity, including allowing others to do my online work.
- Use websites that provide answers to assignments or assessments.
- Give unauthorized assistance on assessments, or allow others to give me assistance on assessments.
- Have additional sites (windows open) on the computer/laptop other than Edgenuity approved sites.
- Use or access any outside resources (including cell phone) during assessments.
- Post assessments, assignments, answers to assessment or assignments, or any other curricular materials on any media that could be viewed by other students or other third parties.

My signature below confirms that I have read all expectations and agree to abide by the AIP. Violations could result in a warning, loss of credit, no mark (NM) and/or the dismissal from Summer School and the inactivation of the course.
