

Dear parents/students,

We are excited to announce that a digital version of the yearbook is now available to anyone who has purchased a book! Students who have already purchased a yearbook will be able to see the book in its entirety before receiving their physical book. We hope you enjoy it!

To view your digital yearbook download the Plus One Digital Yearbook App to your phone. For step-by-step instructions on how to sign up and access your digital yearbook refer to the video tutorial [here](#).

Feel free to email Ms. Prado at [pradop@luhsd.net](mailto:pradop@luhsd.net) with any questions.

We know everyone is excited and awaiting the physical book. Due to COVID-19 we experienced printing delays. You will be notified once we have a distribution plan and date. There are no longer yearbooks available to purchase, we have officially sold out.

Thanks,

The 2020 Heritage Yearbook Staff
