Class of 2022!

Seniors, it has been wonderful to see so many of our students back on campus over the last school year. Graduation is approaching fast! Please know that due to our ever-changing environment during this pandemic, the below details are subject to change. [Please keep checking our school's website for event updates.](#)

For those students who are unsure of their graduation status or are in jeopardy of not graduating, it is imperative that they immediately meet with our counselor, Ms. Abono.

It is our expectation that all Graduates return **all textbooks and/or district technology devices such as a laptop** before a diploma is issued (preferably before June 7). Students who have outstanding books or technology equipment will be notified.

Beginning Wednesday, May 4

Graduates may begin the process of picking up graduation items.

- Caps with basic 2022 tassel and gowns will be available in the office at no cost. Additional basic tassels are \$10; we accept cash or check made out to IHS.
- Graduation tickets are **required** for all guests attending the graduation ceremony. **No exceptions.** Each graduate may request and receive up to 10 tickets on the day they pick up their cap/tassel/gown. Please only take what you need so we may use additional tickets for those in need.

Additional Information

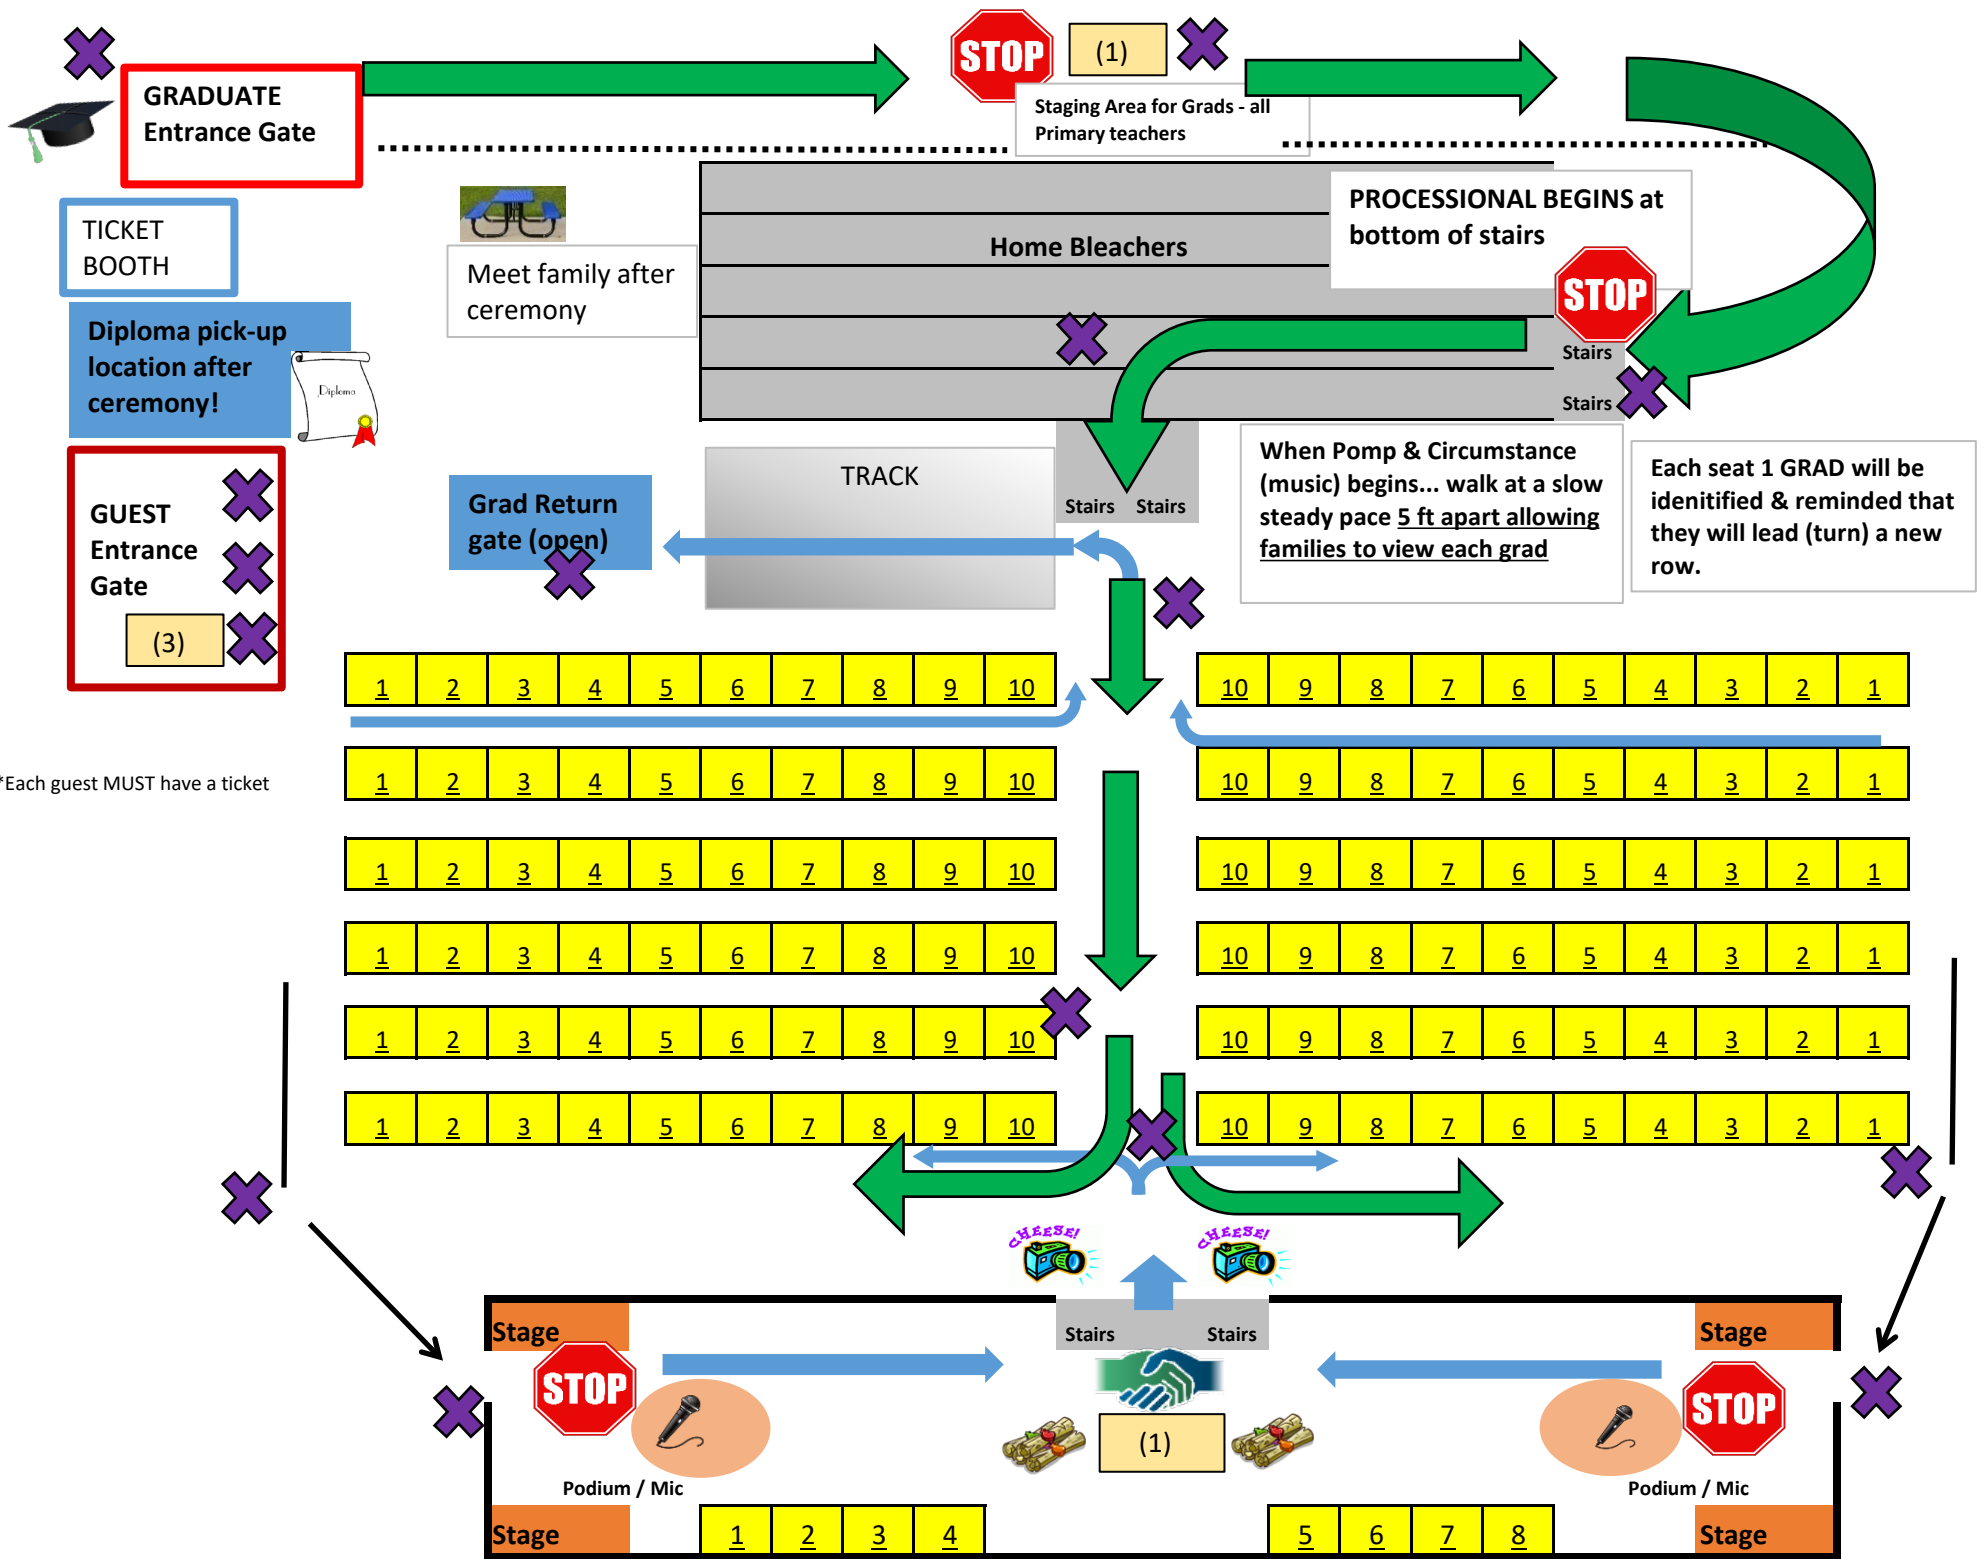

- At this time, **face coverings are optional for all in attendance.**
- A photographer will be taking pictures of students as they receive their diploma. If you are interested in purchasing photos there will be information available when you receive your cap/tassel and gown. **Graduates must dress appropriately (no shorts or flip-flops and due to the bleacher/field surface, we strongly discourage high heels).** Decorated caps must be positive and acceptable.
- **Our school will not have a graduation walk-through practice; instead we have enclosed a basic diagram, and will be creating a video for your preview that will be available on the school website by the end of May.**

If there are any questions, concerns or you need clarification, please do not hesitate to contact the Independence High School office at (925) 634-2589. Thank you and congratulations to students and families!
